

If you have been learning an instrument at school for a while and know the basics, why not give playing in a band or orchestra a try? Being part of a group is a great way to progress and learn more about your instrument and music in general, as well as being much more fun than playing on your own.

North Leeds Music Centre runs on Saturday mornings at Allerton C of E Primary School, Lingfield Approach, LS17 7HL. We have a huge range of classes and groups for all ages and abilities, including the following which are ideal as first ensembles if you have been playing your instrument for around a year or more:

Training Orchestra	9.45-10.45	Brass, woodwind, strings, percussion
Brass Ensemble	9am-9.30	Brass
Jazz Workshop	11.40-12.20	Woodwind, brass, piano, guitar, bass, drums
Rock Band	12.45-1.30	Guitar, bass, drums, vocals, keyboards

We are currently able to offer all these groups at **half price** for under-18s from Jan-June 2018 – that's £44 for Training Orchestra and Rock Band, or £31 for Brass Ensemble and Training Jazz.

To find out more, please contact North Leeds Music Centre on 0113 378 2850 or 07545 603 957, or see www.northleedsmusic.co.uk for our full timetable.
