

## The Children's Prayer

We are thankful that we can come to  
school each day,

That we can learn, run, jump and  
play,

We are thankful for the food we eat,  
The clothes we wear, and the shoes  
on our feet,

We hope that the world can learn to  
share the health, the wealth and all  
the resources out there,

We are you for your guidance through  
each day and know that you, our  
God, are never far away,

Lucky as we are, bless our school,

AMEN
