RBE	Eliza Trigg - for consistently applying herself throughout the year and demonstrating a super attitude towards her learning. Well done ☺	RW	Ivan Lightowler for his kind and caring attitude, always putting an arm around someone when they are sad. Well done! ☺
1A	Maisie Redmond for super writing over the past few weeks. She has written a fantastic story using adjectives, openers and interesting punctuation. She has also improved her maths! Well done! ☺	1J	Francesca Golden for always being keen to learn and doing her best across the whole curriculum. She is always keen to answer questions and offer mature opinions. ☺
2L	Harry Domeney for a much improved attitude this week, he is definitely showing he is getting ready for Y3 and has tried so hard with his English and Maths work, well done! ☺	2S	Bobby Masters for <i>always</i> showing enthusiasm for his learning especially in English this week. But also for being a superstar for the whole year! Well done! ☺
3C	Annabelle Isbister for her impressive attitude to all the tasks she undertakes. She works hard, puts in maximum effort and is a team player. Well done! ☺	3W	Henry Bollon-Mitchell for some fantastic work in English analysing poetry. He has asked and answered questions with a great maturity. Excellent work! ☺
4CR	Emma Griffiths for having a sensible and mature attitude and staying focussed in lessons. Emma has produced a super description as part of our English work. Well done! ☺	4H	Evie Cherry for an excellent attitude despite having a bad arm! I have been impressed with her resilience and determination. ☺
5C	Imogen Harland for her incredible attitude to learning all the time. She puts 100% effort into every lesson. Imogen also showed how much of a team player she is during our Sports Day by constantly cheering on her team! Well done! ☺	5O	Faye Best for having an outstanding attitude to her learning, working really hard in maths and producing some brilliant art work and writing ☺
6C	Amy Askey for a super approach to our end of Y6 show; she has learnt her lines, her stage directions and is going to be fabulous!	6M	Frazer Lee for showing an improved attitude to his learning. He is being extremely helpful during our rehearsals – ensuring the music is played correctly and at the correct time. Well done Frazer – keep it up! ☺

HOLY TRINITY'S GOT TALENT

Friday 13th July 2018 7pm at Ralph

Thoresby High school.

The bar will be open from 6pm for the

sale of alcohol, soft drinks , crisps and snacks. The show will start at 7pm prompt.

Ticket letters have been sent home today and tickets will be available on a first come first served basis so please return your ticket requests as soon as possible to avoid disappointment. Tickets will be issued w/c 9th July.

For those children taking part, there will be a rehearsal at school from 3.30 -5 on Monday 9th July and a full dress rehearsal at Ralph Thoresby high school on Tuesday 10th July from 4-7pm. Please refer to the letter that you have been given for further details.

APOLOGY – Raffle tickets from Summer Fayre

I would just like to personally apologise to the parents, friends and family of Holy Trinity who attended the Summer Fayre and bought green raffle tickets. It came to light last week, once the raffle results had been drawn,

that there were no green tickets drawn. Unfortunately this was not down to unlucky odds - the green raffle book of tickets went missing during the clean up and was not passed to me so I was unaware that we had sold an additional book. Green raffle ticket holders therefore did not enter the actual draw, alongside the orange and yellow tickets.

If people still have their green raffle tickets and would like a refund, then please return them to the school office in a sealed envelope, clearly marked for my attention (Natalie Drake) and I will be happy to arrange a refund. Please state your child's name and class on a note inside.

Once again, I apologise for this mistake on behalf of the PTA trustees. If anyone would like to speak to me personally about the matter then please get in touch.

Regards

Natalie Drake
PTA Chair

If you want all of this, then find us at the bottom edge of the field. We hope to see you soon!

Changes to reports this year

Over the past 3 years we have been working on our school curriculum to ensure that it meets the needs of our children and addresses the changes to the National Curriculum. We decided to follow the 'Essentials Curriculum' which partitions the National Curriculum into two-year blocks called Milestones.

Milestone 1 is for year 1 and 2;

Milestone 2 is year 3 and 4;

Milestone 3 is for year 5 and 6.

The children begin each Milestone at a Basic Level and progress through over the two years depending upon their abilities.

This year we are adapting our School Reports to reflect this change.

The 2014 National Curriculum is designed around the concept of Mastery.

Think of Mastery being like the process of driving a car.

Novice or beginner
(BASIC)

Qualified
(ADVANCING)

Expert
(DEEP)

What you need to know for your child:

End of year expectations for your child in accordance with the Milestones

The *Essentials* Curriculum is broken down into 3 milestones.

In each milestone, pupils may demonstrate three levels of understanding of the content: **Basic, Advancing and Deep** learning.

These three levels of understanding represent 3 cognitive domains:

Basic

Low-level cognitive demand. Involves following instructions.

Advancing

Higher level of cognitive demand. Involves mental processing beyond recall. Requires some degree of decision making.

Deep

Cognitive demands are complex and abstract. Involves problems with multiple steps or more than one possible answer. Requires justification of answers.

Year 1,3,5 the start of each Milestone	Year 2,4,6 the end of each Milestone
If your child is reported as having achieved a Basic Level in year 1,3,5 by the end of the school year then they have achieved the expected standard for their age/year group.	If your child is reported as having an Advancing Level in year 2,4,6 by the end of the school year then they have achieved the expected standard for their age/year group.
If your child is reported to have achieved an Advancing Level in year 1,3,5 by the end of the school year then they have achieved working at a greater depth for their age/year group.	If your child is reported to have achieved a Deep Level in year 2,4,6 by the end of the school year then they have achieved working at a greater depth for their age/year group.
