

NEW YORK CITY!

If you like illuminating lights, if you want to live through a five star hotel, if you want to witness the second tallest (and best) building in the world, then come to New York!!!!

ATTRACTIONS

Time Square is a better at night time experience. Colourful , dazzling, ginormous televisions on the walls of fabulous buildings every where. The films/photos on those very screens will take your taste of New York to a real whole new level. Time Square is the place to be if you re definitely not a heavy sleeper , so come now !!!

From the top of the Empire State building , to the bottom of a subway, New York has the best attractions ever! Are you tired of rushing around after other people? Then come to Central Park! Central Park is home to about 9000 trees . Its covered, absolutely covered in many beautiful pieces of wildlife. Why don't you take a stroll in the park or take a little picnic with you.

Food

New York has delightful foods from different cultures all around the world. Chinese? Japanese? Brazilian? You name it! There all here! Come to a fast food place! Or slow food (if you can call it that!) we have a lifetime supply

banquet prepared for you! So come along and tuck into our divine delectable food.

Going to New York is like running a marathon, (we don't have gold medals or all your fans, sorry!) there is plenty to do.... But don't forget to visit the probably most well known building in America, the Empire State Building! With an incredible height of 381 meters this is the place to see the sky line of our city. At the 102nd floor NYC have an observation where you can see

Transport

Are your legs tired from all those wonderful attractions? Then try our (train) subway or world famous yellow Taxis. To be in one of these is just as much like you're in the movies about New York. This city is so easy to get around. Know why? The city is like a big grid! It's easy peasy to zoom around everywhere anytime. They are open full 24

Sports

Did you know that Americans' most famous sport is basketball? Did you? Now you can joyously spectate, not just basketball, but any other sport us Americans play! Soccer, Baseball, they're real all right! SO before you are cheering into a match of some sort, stop to get a juicy nectarous hot dog like a true American over here.

Shopping

Tired of your out of fashion clothes? Well, 5th Bedford Avenue is the biggest ever jackpot for bright in fashion clothes! My top 2 are Macys and Blomingtons. In Macys you get a 10% of your first shop! New York is the shopaholic capital of the world!!!

Try everything here! Knock your self out! So come around to New York OR ELSE!!!!
