

# VISIT NEW YORK CITY!

If you like to see amazing skyscrapers, if you want to try some foreign food, if you want an adventure of a lifetime, then New York is the place for you. From glorious Central Park, to the amazing row of shops on 5th avenue, New York has everything you could ever want.

## Amazing Attractions

There is a lot of brilliant things in New York, but the Statue of Liberty is spectacular. You would have to climb 354 steps to get to the top but the views are worth it. The helicopter ride is for the people who can't climb the steps but the views are just as good as from the actual thing.

As well as the Statue of Liberty, the Empire State building has fabulous views; it's got 102 floors and it's extremely tall. We have to warn you that the lift is extremely tall and gets to the top in seconds.

Have you had enough of sightseeing? Central park is the place for you. Right in the centre of our busy metropolis, central park is home to over

9000 trees and is great for walking your cute dog. Why not have a picnic, feed the ducks or even visit Central Park zoo? You will find something for all the family at Central Park.

## Tremendous Transport

If you hat using your own 2 feet to get around, go to New York city and then you won't have to. The subway system will go to nearly anywhere in the big apple. If you miss your subway train, don't worry, they come every 10 minutes. Do you want to somewhere not very far and don't want to walk? Then hail our famous yellow cabs. Want to travel to another island? Catch a luxury ferry out to them.

## Fantastic food

Don't like burgers and/or hot dogs? Don't worry, NY has lot of different tastes and from lots of different cultures and countries. There is lots of fast food restaurants but if fast food isn't your thing, then go

to a Chinese restaurant or many others.

## Spectacular shopping

One of the most popular states for shopping, New York has rows and rows of shopping stores. 5th avenue is the most famous. If you want to get a 10 percent off discount, then come to Maisie's with your passport.

Does this sound incredible to you, then book to visit New York City now!!!

## Super Sport

If you like sports, come to New York because we have a huge range of different sports, from watching the US open tennis a Flushing meadows to watching a baseball match at the famous Yankee Stadium. If you want more sport, there is a wide range of sport on the TV from around the world.
