

Visit New York now!

If you enjoy being with your family, If you love adventures, If you like rides then New York is the place for you! From the 5th avenue shopping street to the amazing restaurants New York City has everything you could ask for.

AMAZING ATTRACTIONS

If you come to New York you might get a glance of the Statue of Liberty or the Empire State building. You need to go to Times Square one night because it lights up! You need to come down NOW !

How about going to see the iconic Empire State Building and you can go all the way up to the 102 floor but the views are worth it!

The Statue of Liberty is amazing you can fly up in a helicopter right to the top. **WARNING!** If you are scared of heights say away from this.

Fabulous Food

In New York there are thousands of restaurants to choose from. You turn a corner there is a pizza place turn another corner there is a curry place there is food all over. They have so many McDonalds in NY so if you love food come to New York!

Sassy Shopping

If you are into shopping New York is the place for you. In NY there thousands of shops (especially on the 5th Avenue shopping street) that has so many shops. There is a shop called Macy's and if you bring your passport you get 10% off.

Super Sport

The sports in New York are amazing so if you want a game of baseball grab a ticket and a hotdog and enjoy Basketball is the most popular sport in NY so if you love it come down

Terrific Transport

Do you not want to walk around all day ? Well get in a yellow taxi and the driver can tip you off about the best restaurants and places to sightsee.

Does all this sound appealing to you? Come down to New York!
