

# visit New York

If you like shopping , if you love food , if your family likes going on holiday , then New York is the place for you!

## Attractions

You will have to go for a month to see all the amazing attraction . I love the Statue of Liberty ,Central park and Time Square . New York has lots of amazing attraction.

Statue of Liberty is one of the best statue in the world. Will this change your life?

Central park has everything you can dream for and there is something for everyone like pick nick , sun-baking and so much more . Time Square is so incredible and you should come and see it at night with the bright lights.

## Amazing shopping

The shops are so pretty . If you go shopping you will love the shops here . You can buy lovely stuff like shoes , makeup and so much more .

## Fast Transport

Hail a yellow taxi, walk or **grab** a subway . If you get a taxi the drivers will tell you amazing facts about the Big Apple . Don't worry the subway comes every 1 minute.
