The Great Science Share – Thursday 20th June

This summer, schools across the country will be taking part in the 'Great Science Share'. This is a national campaign to engage young people in sharing science with new audiences. This year we will be taking part and on Thursday 20th June, years 3 to 6 will be sharing with the rest of the school some of the investigations they have conducted in their science lessons. Parent /carers will also be invited to come to the main hall at the end of the day to view the experiments. Please join us from 3:30pm to 4:00pm.

Year 3 maths morning

A reminder for Year 3 parents that there will be a maths morning in the main hall 9 - 9:30am on Wednesday 19th June. Children will be sharing their knowledge of times table rockstars.

Bodington Junior Park Run - Holy Trinity Take Over!

On **Sunday 23rd June 2019** we will once again be having a 'Holy Trinity Take Over' of the Bodington Junior Parkrun (details on the link below). Parkrun is a fantastic opportunity to encourage and nurture the children's love of running which has been growing due to our Daily Mile. I have spoken to the organisers and they are happy for our children to attend 'on mass' that morning! The run starts at 9am but children should arrive, with their parents, at 8.45am to take part in the warm up. Please note that the children will be parent's responsibility as the event is taking place outside of school hours. However, a few of our school staff will be there to support and encourage the runners taking part. We would like the children to wear their school PE T-shirts if possible so that we can spot them easier and if you sign your child up for a barcode before the run then they'll get an official time too. Plus, as an added incentive, once the children finish the run we'll find out which Trinity House they represent and the winning house will receive a trophy on the display in the entrance hall at school. Thank you in advance for your support with this. It should be a lovely morning.
