Mon 20<sup>th</sup> July 2020

Well done to this week's Learners, they are:

RR	Florence Rogers has settled into school wonderfully and is a fantastic member of RR. Florence always listens on the carpet, puts her hand up to join in and tries her best. Well done! ☺	RW	Max is a wonderful member of RW and always takes part in everything we do. Max did some wonderful rainbow name writing yesterday and always tries his best! ☺
IA	Maryam Nahil for fantastic maths this week. She always listens on the carpet which means she can go and work independently at her table. Keep up the great work Maryam! ☺	1CR	Joseph Beatham for being an all round superstar! Joseph always tries his best and follows our Golden Rules. Well done Joseph! ☺
2J	Roan Forrest for developing a 'can do' attitude to all his learning. His reading has improved so much recently and he is now remembering his spellings and joining his handwriting. ☺	2S	Rajan Bhath for being an always child; always trying his absolute best, always presenting his work neatly and always making the right choices! Keep it up! ☺
3R	Daisy Thomas for being an absolute superstar all week. Daisy has been engaged fully in our learning and she did some fantastic hot seating in literacy. She also gave some very thoughtful answers in our P4C discussions which impressed me. Keep up the fantastic work! ☺	3W	Aaryan Mander for always working hard and producing good work. He asks questions and offers opinions in a positive mature way. He tries hard to make the right choices. ☺
4H	Jacob Zelikson for an excellent attitude towards his learning. He has really impressed me with his science knowledge about electricity. Well done Jacob! ☺	4L	Leah Haggas for a fantastic week ☺ Leah impresses me every day of every week! Her effort and enthusiasm is evident in all she does! She has produced a fantastic production manual for our electric board game! Well done!
5E	Ralph Kilbride for sheer effort. Fantastic maths work on balanced equations, brilliant in PE and superb in science, writing a detailed piece on chemical reactions and how they occur. ☺	5O	Eva Camm for having an outstanding attitude to all aspects of school life, being kind and helpful and working incredibly hard at everything she does. ☺
6C	Emily Riley for stepping up to the challenge of Y6. She shows confidence in her abilities and perseverance when in the learning pit. She is also willing to help others when needed, a real team player! ☺	6M	James Gilbert for his incredible attitude to all of his learning. He has produced an exceptional piece of writing based on our class novel 'Alex Rider' and his newspaper article could have easily been published – well done James! ☺
