Plan Social

We are moving all transactions for our events to an online system – Plan Social (also known as PTA Social). You should have received a letter explaining what this is, how it works and the link to the site where you will need to register. **We are asking all parents to register as soon as possible.** We will then approve your registration and you'll be set up and ready!

The first event which will be set up on Plan Social is the Christmas Fayre – once registered you will automatically receive email updates when this event is set up. If you don't receive the letter, the link is below or there is a link on the PTA page on the school website:
