

The Children's Prayer

We are thankful that we can come to
school each day,

That we can learn, run, jump and
play,

We are thankful for the food we eat,
The clothes we wear, and the shoes
on our feet,

We hope that the world can learn to
share the health, the wealth and all
the resources out there,

We ask you for your guidance
through each day and know that
you, our God, are never far away,
Lucky as we are, bless our school,

AMEN
