Maths Stay and Play mornings

We have some upcoming Maths stay and play mornings - or rather 'linger and learn'! The sessions will be approximately 9.00 - 9.45am. One of the aims of these sessions is to address the questions we often get at parents' evenings about the way we teach Maths in school and the methods we use, as we know you are keen to support your children with their learning at home.

The sessions are planned by the children and staff, and the children will run the sessions and be available at stations to show you how they do their Maths work and share their skills. It's very interactive and we always get really positive feedback from the sessions. We'd love to see as many of you as possible at these mornings so put the dates in your diary, and more information about each year group and where the sessions will be will follow via parent mail nearer the time.

Church Notices

THE BAKE OFF IS BACK!

SATURDAY, FEBRUARY 8TH, 2-4pm at HOLY TRINITY CHURCH.

Please see our Facebook page for details of how to help on the day, enter the competition or just come along and enjoy the afternoon.

There are also flyers in the school office with all the details.

On Sunday, February 2nd Christians all over the world celebrate the

Feast of Candlemas.

This year at Holy Trinity Church it will be an extra special occasion!

Bishop Paul will be with us at the 10am Parish Mass as we dedicate the year ahead to working and praying together for growth.....in the church, in our school, in our community and in our own lives.

Children in KS2 are invited to sing at this service, which is also a Parade Service. There will be two rehearsals: one during normal school Worship time and one at 9.30am on the day, before the Mass begins. The music is easy and nothing will need to be learned off by heart. If your KS2 chid[ren] would like to sing, or if you have any queries, please could you get in touch or leave a message with Pat Swann. 267 7799 or 07803 165206

Newsletter for Primary Schools

January 2019 – Issue 3

Hello friends,

I hope you all return to a new term, and a new decade, feeling hopeful and positive about the future, both in your personal and work lives. I wish a Happy 2020 to you all.

Cannabis Edibles

This pack of 'sweets' was found at a high school in West Yorkshire. They are likely to contain cannabis (THC) which is a Class B drug.

If you find a child with these, please report this to our drugs coordinator, Jess Clayton, (07719418068) for further advice.

- Remove the sweets and save them for testing by WYP, and establish where they were purchased, if possible
- Educate children that there may be dangerous substances in them which could make them feel unwell.

Christmas themed Safety Talk given to children at the ECHO project – Dec 2019

PCSO's Newell and Riley had the pleasure of attending at the ECHO (Every Child Has Options) community group in Knottingley, after being asked to attend to give the children a talk on safety.

During their visit Aaron and Claire spoke about their role with in the police and the great variety that their job as a PCSO has to offer. They then played an interactive game of, 'Police Safety Picture Bingo', before allowing the children to explore inside the police van and operate the lights & siren. At the end of the talk the children were given some goodies that had been kindly donated to them following on from the 'Knottingley Christmas Walk' event. They were also each given a very special police bear as a Christmas present which had been lovingly knitted by Claire's Grandma. A very big Thank You to her for taking the time to do that!
