Friday 15th March

L.O. To use sentences appropriately.

Dear Diary,

On Monday afternoon something really exciting happened, the chicks arrived! We were really excited to see them but we have to wait for them to hatch. The 12 eggs are small, fragile and delicate so we have to be very careful with them. We think the chicks might start to hatch today or tomorrow, it will be amazing once the eggs start to crack. Until then they must stay in the incubator because they have to be kept warm as if their mother was still sitting on them.
