Use a dictionary to write as many nouns, verbs and adjectives as you can to describe your fantasy land.

Main Task

Choose a task from below. Or if you are super keen do them all!!

Option 1- Create a persuasive poster persuading people to visit your fantasy land.

Option 2- Write a descriptive story about you finding your fantasy land. Did you walk through a wardrobe like Lucy? Or find it in the attic of your house? Was there a secret door in your garden? Or did you fall down a hole like in Alice and Wonderland?

Option 3- Make your fantasy land using any materials lying around at home (paper, cardboard, plastic bottles- can you make an eco friendly fantasy land?)
