

# My Paradise by Joshua Smith

Sri - Lanka

- red, orange, yellow glow  
of the beautiful, stunning sunset.

Sri - Lanka -

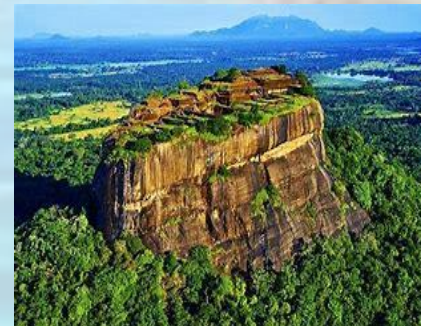

gigantic, magnificent, elegant elephants  
slowly plodding to the river with their morning snack.

Sri- Lanka -

Crystal clear waters  
Home to exotic creatures and nesting turtles.

Sri- Lanka -

Markets full of colourful, tropical fruits, fragrant spices  
and welcoming smiles from friendly people.

Sri - Lanka -

Wander lost cities and sacred ancient ruins  
Walk in the green charms of the cooling hill country.

Sri - Lanka

Beautiful, beautiful Sri - Lanka  
How I miss you so !!!!!
