

Fingerprint - I am unique!

A fingerprint is a trace of a human finger left on a surface.

Human fingers have small structures on them (like mountains and valleys). These structures are unique in every human; they can be used as means of identification.

whorl

arch

loop

TASK

Using the template sheet, write different sentences telling your new teacher about yourself!

You might want to write about your family, friends, hobbies, pets, favourite subject etc...

EXAMPLE

I am unique!

[illegible]

I am unique!
