
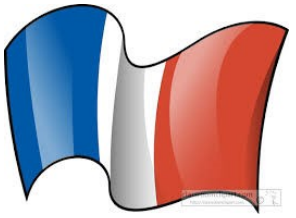
French Summer Challenge

KS1/LKS2



Here are some cross-curricular activities that link to your French Objectives. You could try one activity, or maybe have a go at them all! We would love to see your home learning! Please send any pictures to French@Holytrinity.leeds.sch.uk. Any printed work can be added to your French folders on your return to school.

Learn a French song or nursery rhyme. 	Watch the clip where children play the French counting game, La Marelle. https://www.bbc.co.uk/bitesize/topics/zpy8q6f/resources/1 Use some chalk and have a go at playing yourself, counting in French!
Use straws or Lego to create a model of the Eiffel Tower. Can you create another model of a famous French landmark?	With the help of an adult, cook and eat a meal from a French speaking country. It might be a typical French breakfast or something more adventurous!
