

Your first task today is to write your very own application form for one of the Year 5 jobs. You can apply for one of three roles: School Councillor, P.E. Councillor, Worship Councillor, or Eco-Warrior. Even if you don't want one of these roles in reality, it is still good to practise as you never know when you have to apply for something you really want.

Start by noting your strengths and weaknesses and then put them into sentences. Don't forget to edit your work. Use another page if you need to. Good luck.

Application Form for the Position of.....

Name.....

Date of birth.....

What would you bring to this role? Please list your strengths and experience.
