

Today you are going to complete some 'ME' art. What can't you imagine a life without?

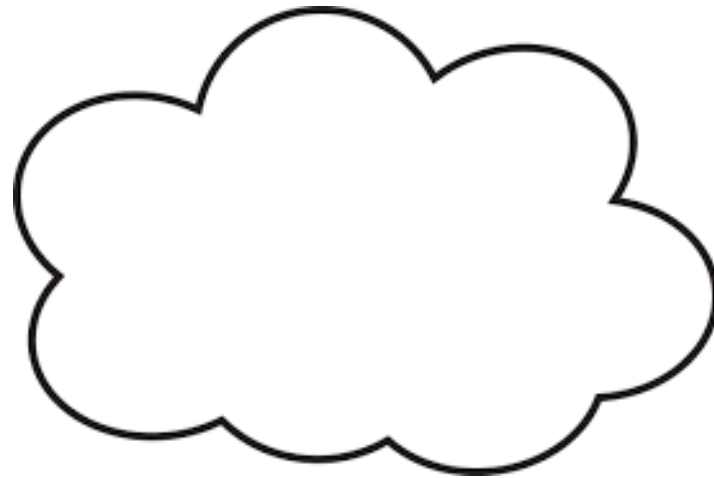

For me (Mr Englefield), I couldn't imagine a life without my family– Mrs E, my two boys (Lenny and Vincent) and my cat Rene.

That's an obvious one to miss, but there are many others: meatballs, sport, ice-cream, holidays, sunshine, wildlife, pizza. There are many more.

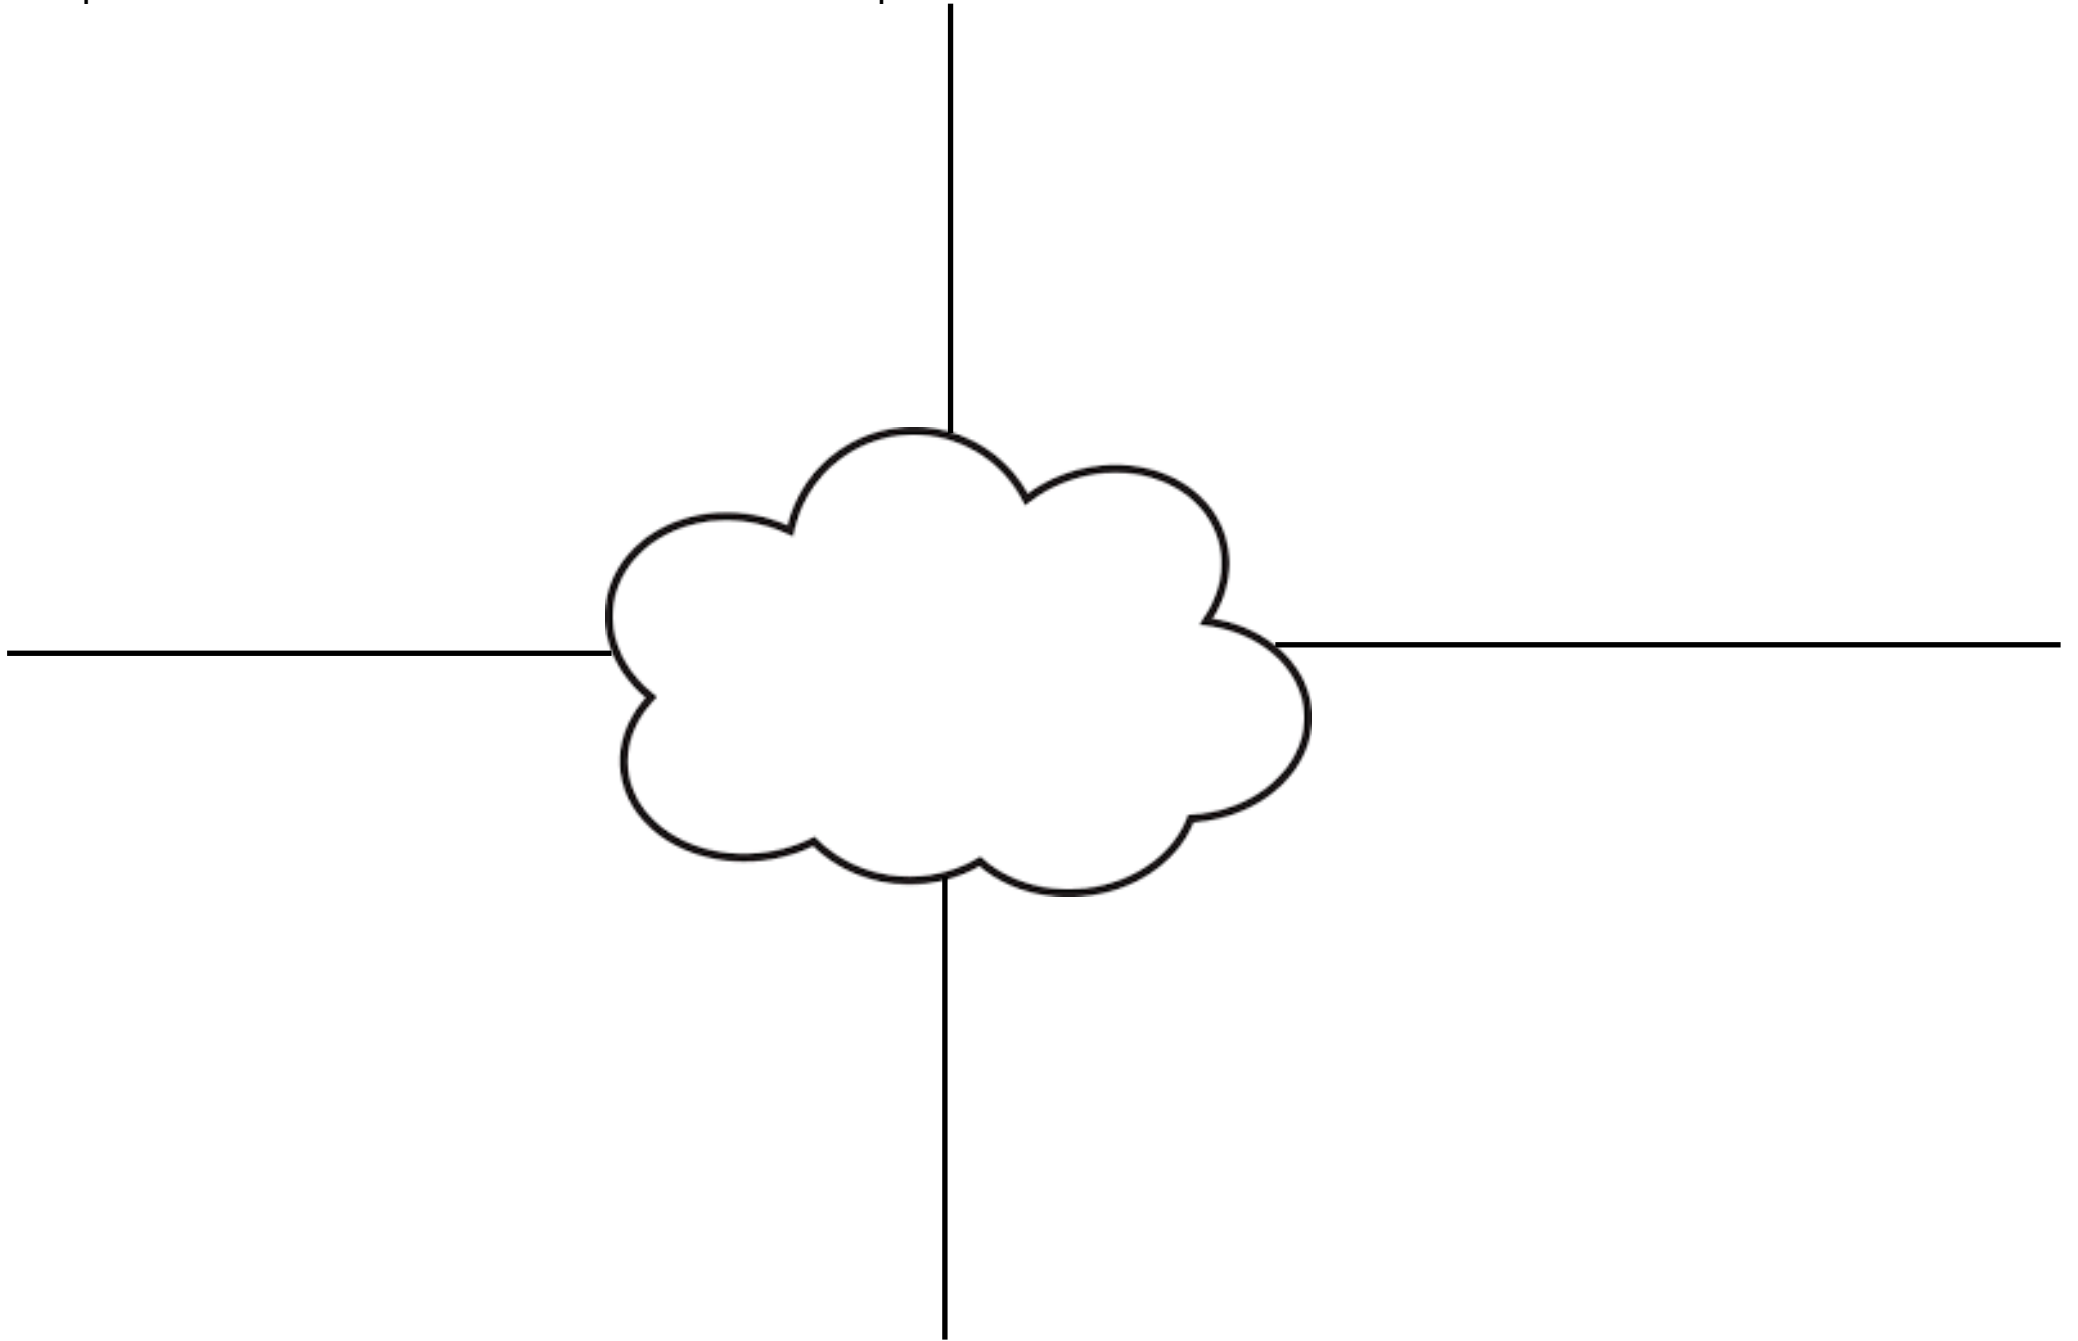

Your task is to create your own 'I can't imagine a life without' art work. Use the template to create your own and follow the instructions on the next pages.

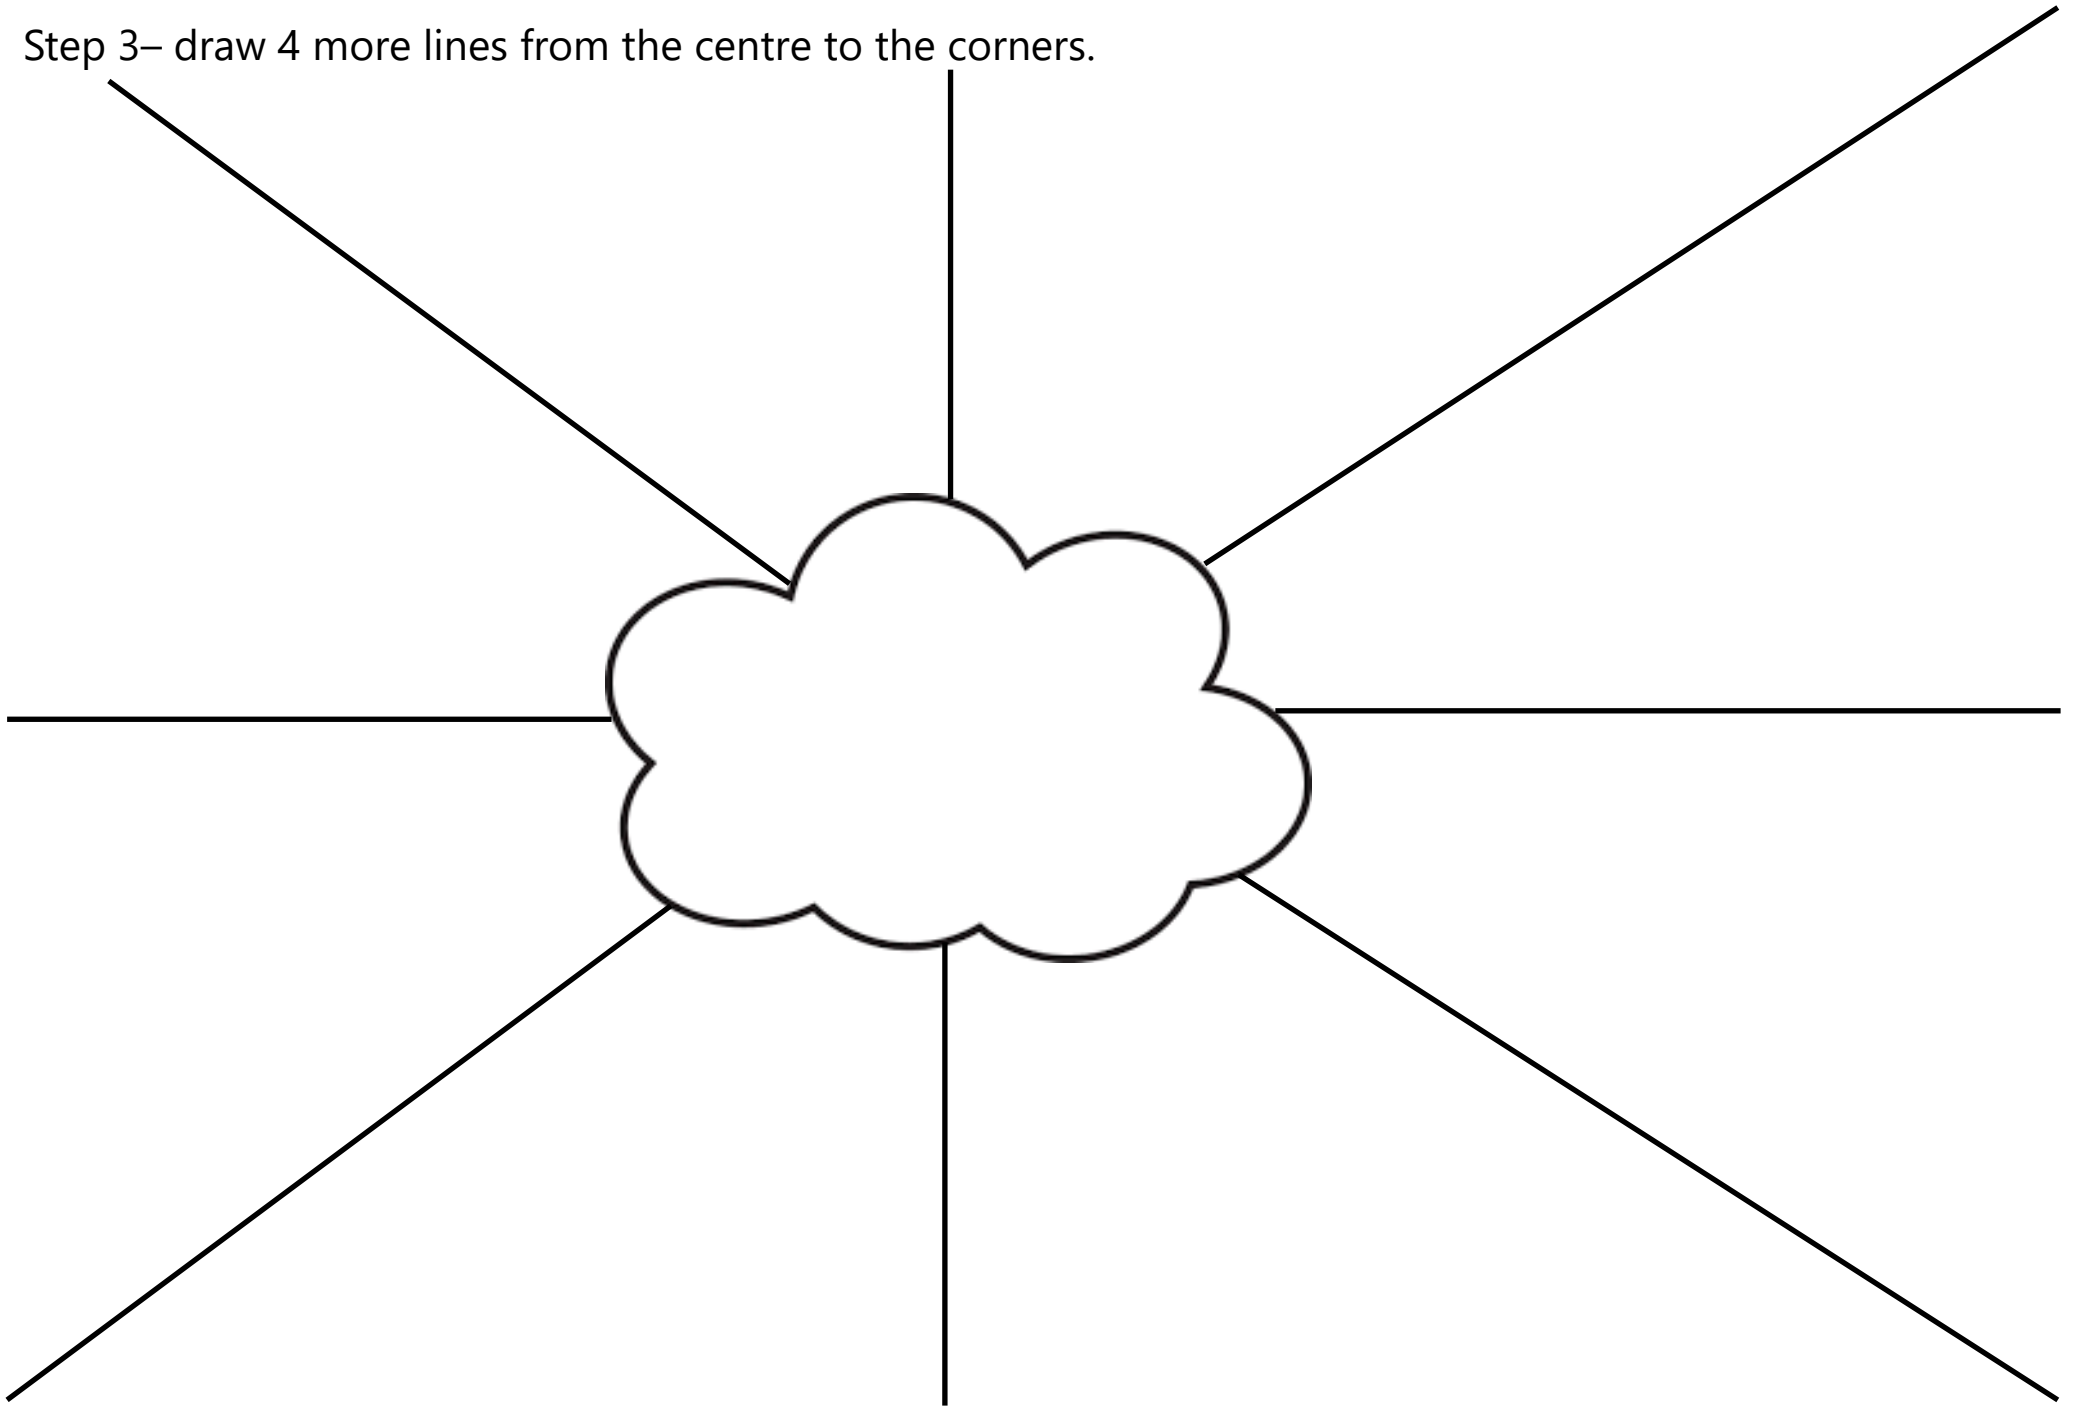

Step 1– draw a small cloud in the centre of the page.

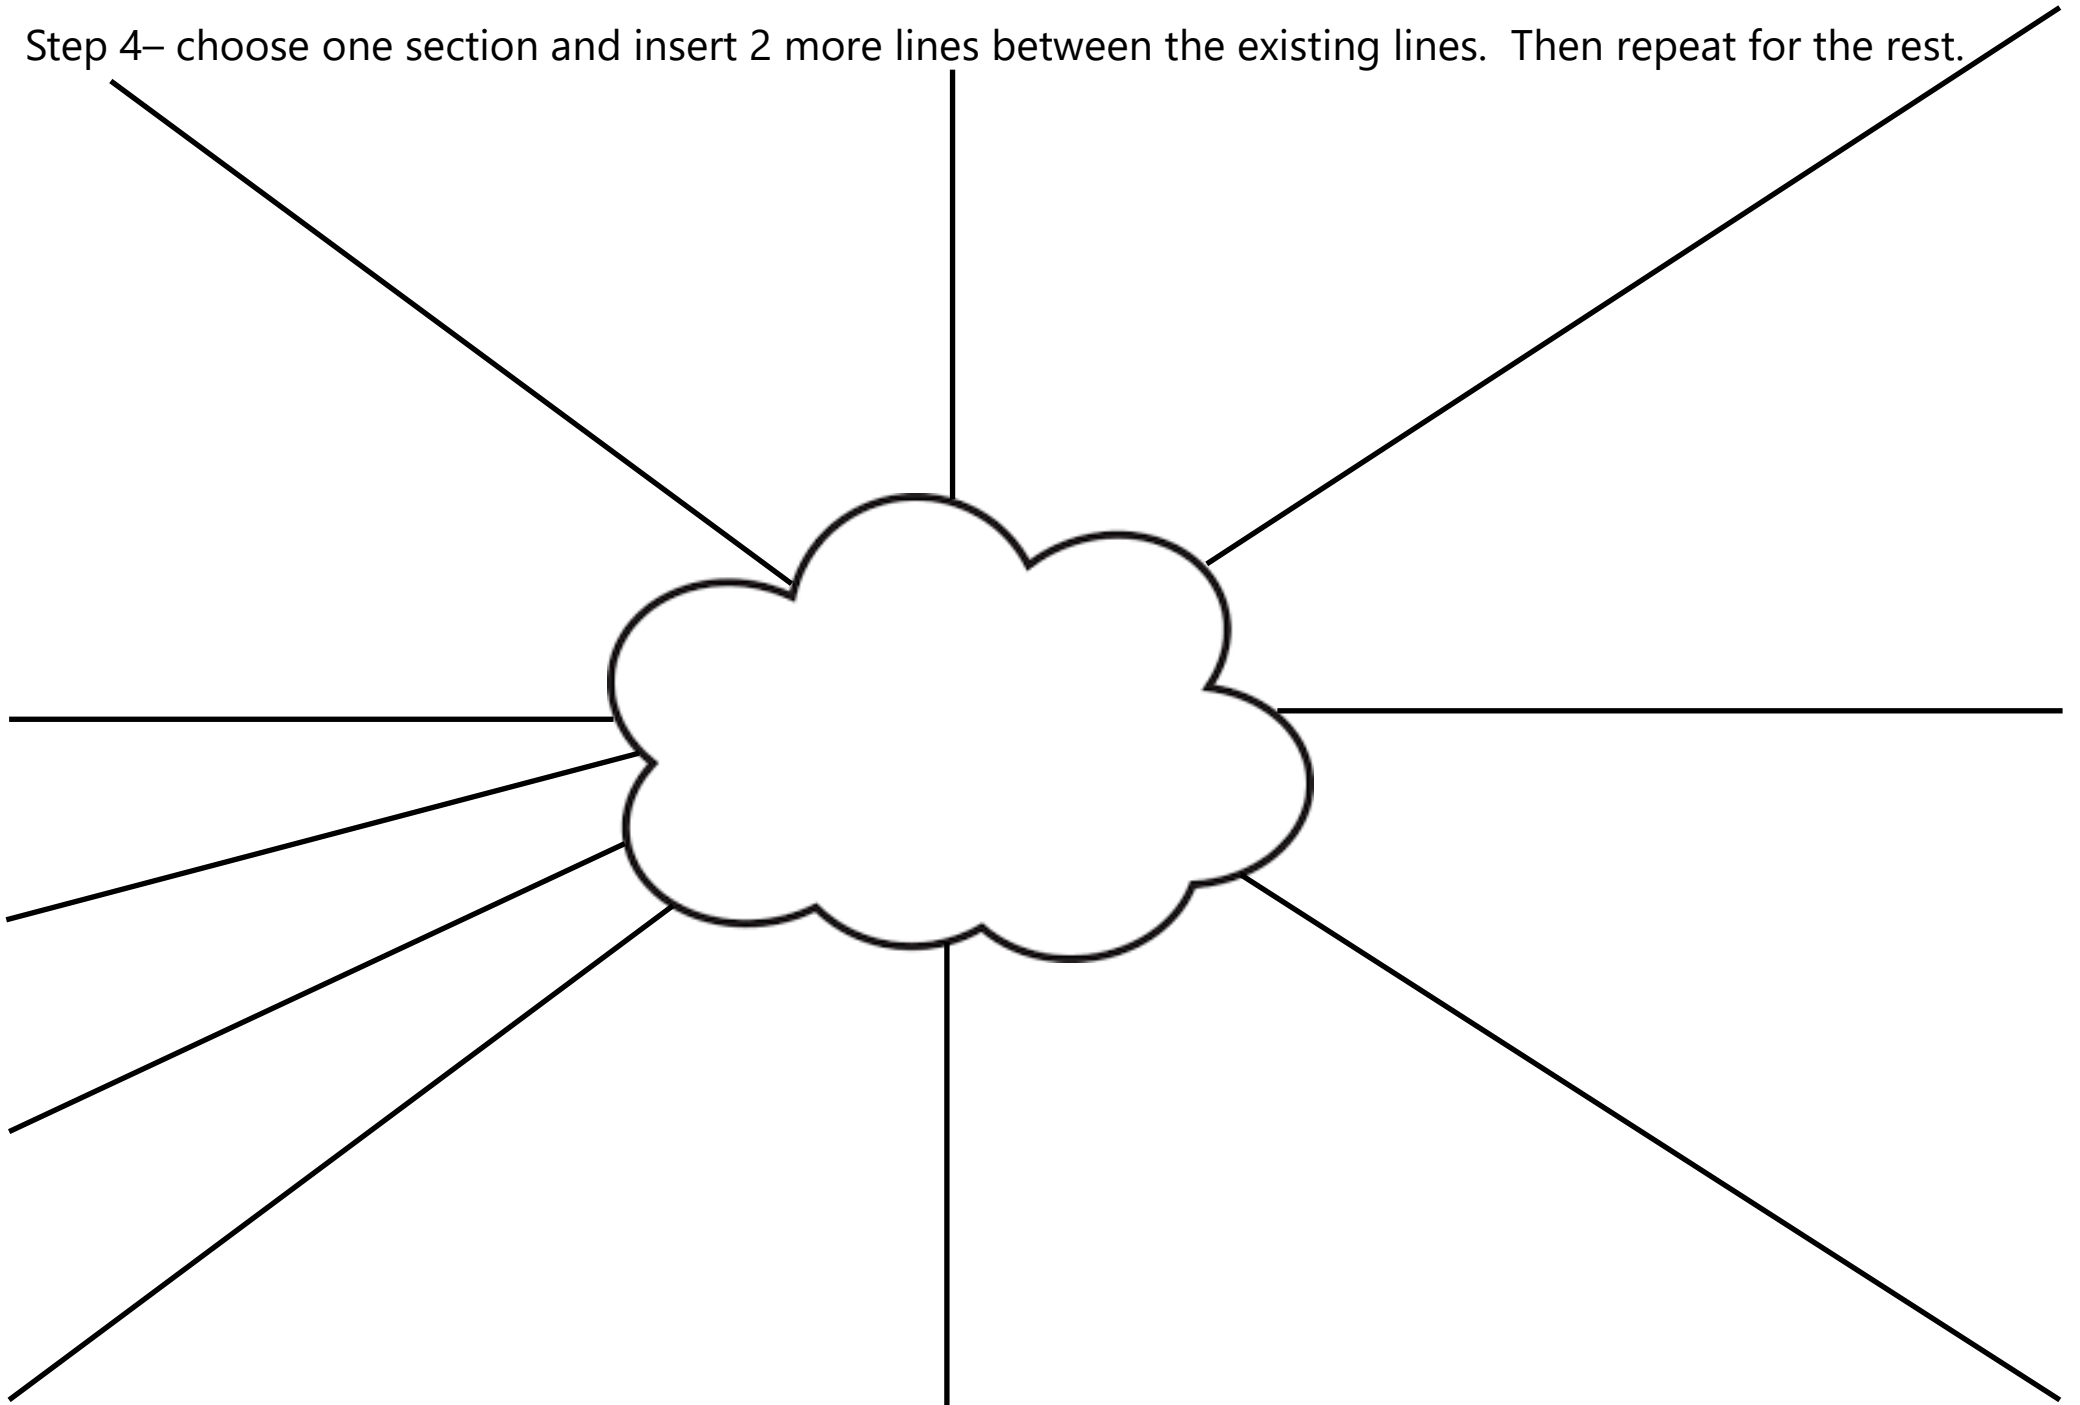

Step 2– draw 4 lines from the centre to the top, bottom and the sides.

Step 3– draw 4 more lines from the centre to the corners.

Step 4– choose one section and insert 2 more lines between the existing lines. Then repeat for the rest.

Step 5– your finished page should have 24 sections to write in. Now fill in the details. Don't forget colour!
