

## Cookridge Holy Trinity C of E Primary School

Green Lane, Cookridge, Leeds, LS16 7EZ

Dear new class member,

I am writing to you to welcome you to class 5O. I am really looking forward to working with you next year! Miss Hickey has told me all about you, and I am excited to come back (after a good break of course!). This is going to be my fourth year teaching in Year 5. We are going to learn lots and have fun doing it on the way.

I like all parts of school, but some more than others. I really like PE (especially rugby, football and basketball) and maths, but I need to keep improving my art. What is your favourite lesson and why? Is there anything you think you need to improve on? I hope I can help (that is my job after all...)

I always wanted to be either a football player, a doctor or a teacher when I was your age... do you have any ambitions for the future?

Outside of school, I play a bit of rugby from time to time, play on my PS4 (shall I get a PS5? when they come out?) and watch sport on TV. I like exercising and am looking forward to the gyms opening again. What do you like to do when you're not at school? (I am also a big Leeds United fan, do you support a team?) My favourite animal is an elephant, do you like animals?

I don't have too much on over the summer holidays, just hopefully catching up with friends and family that I have not seen for a while. Do you have any interesting plans for the summer holidays? but I will try and make up for it by doing as many fun (but safe) things as possible.

A few more questions you could consider:

- Where is your favourite place in the whole world and why?
- Do you have any pets? (I love dogs).
- If you could only ever eat one food again, what would it be and why?
- What is a song that you think everyone should hear?
- If you could improve one thing about our school, what would it be? (serious answers only please).

I'm looking forward to your reply.

Mr O ☺
