Green Lane, Cookridge, Leeds, LS16 7EZ

Dear new class member,

I am writing to you to welcome you to class 5E. I am really looking forward to working with you next year! Miss Lillington has told me all about you, and I am excited to come back (after a good break of course!). This is going to be my second year teaching in Year 5. We are going to learn lots and have fun doing it on the way.

I like all parts of school, but some more than others. I really like PE (especially rugby and football) and maths, but I need to keep improving my RE. What is your favourite lesson and why? Is there anything you think you need to improve on? I hope I can help (that is my job after all...)

I always wanted to be either a zoo keeper, a computer game tester or a footballer (I'm not very good) when I was your age... do you have any ambitions for the future?

Outside of school, I still play football every week, look after my family and go out all over Yorkshire when I have time. What do you like to do when you're not at school? I also like to support my football team, Arsenal (sorry, not sorry), and I try and watch rugby every week in the NRL on Sky as well as go to watch Yorkshire cricket when I get the chance. Do you support any teams?

During the summer, my sister is visiting and she will meet her nephew Vincent for the first time. Do you have any interesting plans for the summer holidays? I had to cancel my summer holiday to the south of France because of Covid-19 but I will try and make up for it by doing as many fun (but safe) things as possible.

Your task is to write me a letter back

A few more questions you could consider:

- Where is your favourite place in the whole world and why?
- Do you have any pets? (I love cats!)
- If you could only ever eat one food again, what would it be and why?
- What is a song that you think everyone should hear?
- If you could improve one thing about our school, what would it be? (serious answers only please).

I'm looking forward to your reply.

Mr E 😊
