'THE BEST FOR EVERY CHILD'

ISSUE No. 457

Memory Verse

"In everything I showed you that by working hard in this manner you must help the weak and remember the words of the Lord Jesus, that He Himself said, 'It is more blessed to give than to receive.'"

Acts 20:35

Home learning

We hope you are all continuing to access the website for home learning and are managing to complete some of the work – please continue to contact us with any issues. If you have trouble printing anything, try to use the slides/worksheets as a starting point and write answers in an exercise book (or adapt the task slightly). You may need to amend the 'scale' setting on your printer to 'fit to page' if it is going off the edge of the paper. BBC bitesize daily lessons are also an alternative if you need them and are linked on each class page, and the Maths on this is also White Rose.

<https://www.bbc.co.uk/bitesize>

White Rose Maths now needs a premium subscription to access the worksheets. We have paid for this and the worksheets will be downloaded to the website for you. However, due to the high demand, the White Rose system is down so they have added the worksheets as usual for next week. You do not need to pay for anything or subscribe to anything yourselves.

Please continue to use info@holytrinity.leeds.sch.uk address for any queries, but we have also now set up an email address for each year group. These email addresses will be temporary and are only to be used for queries on work, sending work to go onto the website and for any problems that may be needed to be discussed with the class teacher. Please make sure that the email comes from an adult's account.

Given the exceptional circumstances, as with the comments and school email address, please be aware teachers may not be able to respond to the emails immediately.

The email addresses for each year group are as follows:

Year 1: year1@holytrinity.leeds.sch.uk

Year 2: year2@holytrinity.leeds.sch.uk

Year 3: year_3@holytrinity.leeds.sch.uk

Year 4: year_4@holytrinity.leeds.sch.uk

Year 5: year5@holytrinity.leeds.sch.uk

Year 6: year6@holytrinity.leeds.sch.uk

Roundhay Music

Roundhay Music are pleased to offer online music tuition to all interested students (and parents!) during lockdown. This will be of special interest to existing music students, who will benefit from continuing their musical education, keeping them inspired and motivated to keep playing at this time. Costs can be kept reasonable by adjusting the length and timing of lessons, which can be arranged with the tutor on an individual basis. Please email enquiries@roundhaymusic.org to register!

Maths News

The next set of results are in...

Each week the Mathletics trophy is awarded to the class with the best participation in Mathletics, and we will announce our top ten school mathletes - the individual pupils with the most participation points.

There seems to be a bit of a Year 6 takeover on the leaderboard this week 😊

Our top ten mathletes for w/c 27th April 2020 are:

1. Christian Holmes (1A)
2. Zachary Taylor (1A)
3. Chloe Towers (4H)
4. Lily Veevers (4L)
5. Caleb Townsley (4H)
6. Sebastian Wilson (RR)
7. Imogen Townsley (3R)
8. Harry Jones (5E)
9. Beth Sample (RR)
10. Benjamin Jones (6M)

This week the key stage trophies have been awarded to: KS1 – 1RB and KS2 – 4H

Pupil of the week – although we are not able to be at school we would still like to recognise the efforts and skills of our pupils. Teachers may choose someone they know has submitted a super piece of work, left an enthusiastic comment, been trying hard on Mathletics or TT Rockstars, or been being a wonderful Holy Trinity example in the home environment by being kind and caring to their family.

RR Emelia Ingle for being so enthusiastic towards our home learning stories and activities. Emelia is doing so much wonderful learning at home and it is fantastic to see her challenging herself. Well done Emelia and thank you for sharing your work each day 😊	RW Eden Abidian - for working hard with his home learning. Eden has been working on his handwriting and formed wonderful sentences about the hen life cycle. Well done Eden! Keep up the hard work 😊
1RB Isabelle Kerr - Isabelle has been working really hard over the last few weeks and we have been really impressed with all the home learning she has been doing. She has completed some fantastic art work and has put her maths skills to excellent use by baking at home. She has also worked on our plants topic and planted some seeds. Well done Isabelle!	1A This week Freya Bell sent me some fantastic work that she has been doing at home. Since school closed Freya has been baking, writing and even doing her own science experiments. Keep up all your fantastic learning Freya, well done!
2J Jaidaa Rady for her fantastic attitude towards all her learning since starting at our school in October. Jaidaa is learning English really quickly and had started to contribute a lot more during lessons before lockdown. She has been sending me photos of her fantastic home learning work and I am pleased to hear that she has been working hard every day. This week, she has even won an online art competition! Well done Jaidaa 😊	2S A huge well done to all of 2S for your fantastic effort and enthusiasm for our new topic but my pupil of the week goes to Thomas Smith for his amazing handwriting. I'm so impressed by how hard you're trying with your joins. Keep it up 😊.

<p>3W Another fantastic week for 3W- I've loved seeing pictures of all of your super work. It was a really tough choice but our pupil of the week is Zachary Ford, he's produced some fab work including a Lego Parthenon and a brilliant version of Theseus and the Minotaur. Well done! 😊</p>	<p>3R Thomas Carruthers for creating a fantastic stop frame animation to retell the Ancient Greek myth of Theseus and the Minotaur. Tom has been doing some fantastic things at home and trying super hard with all his tasks. Well done Tom! Keep up all the brilliant things you are doing :)</p>
<p>4H Chloe Towers for her excellent description about her fantasy land. She has been keeping busy creating informational PowerPoints about different types of dance and the Ancient Egyptians! She has also been developing her baking skills and made chocolate muffins, a cheesecake and rice crispy cakes which sound delicious! Well done Chloe!</p>	<p>4L My pupil of the week in 4L is Ella Ledger for being enthusiastic and trying really hard with her home learning! I've loved hearing about all the things she has been up to! I have also heard she's been helping mum with lots of jobs around the house!</p>
<p>5E Harry Jones for writing, performing, filming and also being brave enough to let me put on the website his awesome Space Rap. Not only that but smiling about it too! Thank you Harry.</p>	<p>5O Lily Thomas for writing an exceptional novel of her own accord which kept Mr O entertained for half an hour of lockdown. The story included character development, a weave of description and action and supporting characters that were well thought through and developed as well.</p>
<p>6M Barney Morrison for all his hard work and perseverance over the past few weeks. He has produced some amazing work and is really rising to the challenges set- well done Barney :)</p>	<p>6C James Bates for his excellent efforts with his working from home tasks. He has completed an impressive mountain dangers guide as well as a very persuasive ski brochure - both of which are presented with care and consideration for the audience. He has also done some brilliant maths work and included careful workings out to help solve the questions. Keep up all the great efforts.</p>

Poppy Hellings has now had her injections and is venturing out for her first walk...

Music lessons

Mr Mercer, who teaches music in KS1 and runs our school choir, has some music lesson videos on youtube that you may wish to access.

This one is aimed at KS1 <https://youtu.be/37iMGQa3UIQ>

Each member of the schools team at ArtForms now has a playlist of lessons. Here is Mr Mercer's which contains links to lessons for Nursery, Reception and Yr 1 as well as the one above. one. All of the lessons can be enjoyed by children from nursery up to Yr 3 & 4, especially if they have been taught by Mr Mercer in the last four years.

Teachers in lockdown!

There is a new tab on the home learning page with some videos of teachers taking on some lockdown challenges – have a look and see who you can spot!

Yoga

If your child is currently in reception or Year 1 (or has been part of a yoga group in school this year) they can access online resources – look out for a parentmail message with log in details.

Mental health
