

Wednesday 20th January

L.O. To draw Peter Rabbit.

L.O. To draw Peter Rabbit.

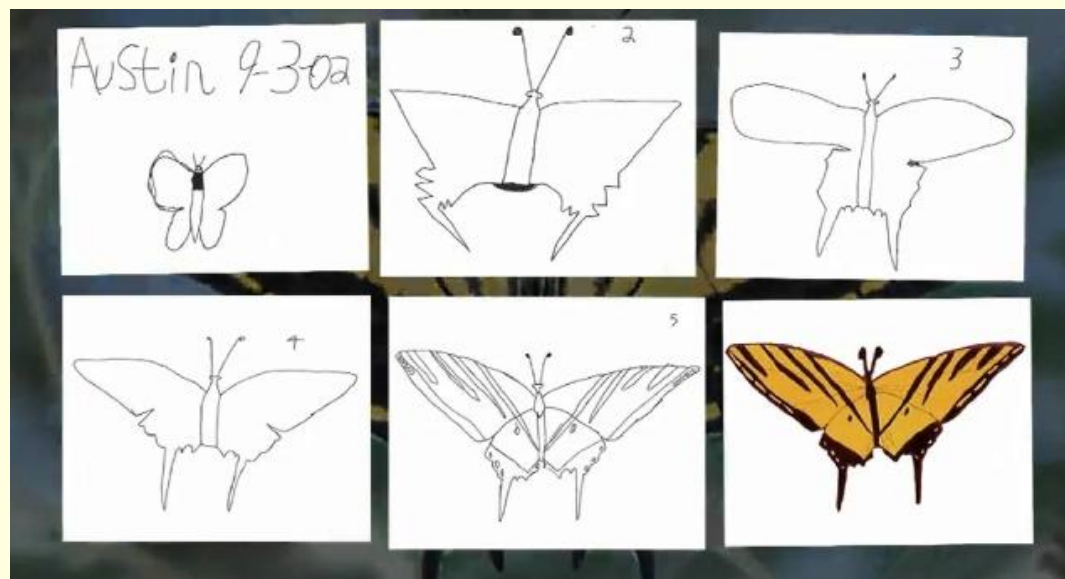

We are going to start a project today which is based on the ideas from the video Austin's butterfly.

Watch the video to find out about Austin's drawing journey.

L.O. To draw Peter Rabbit.

So Austin tried hard every time he drew the butterfly. He always wanted to do his best but he sometimes needed some help with how to improve. Look at the progress he made:

L.O. To draw Peter Rabbit.

We are going to draw the same picture of Peter Rabbit 3 times. Once today, once on Friday and again next week. Your aim is to improve your drawing each time.

L.O. To draw Peter Rabbit.

Have a go at copying this picture of Peter Rabbit. Use your looking eyes to carefully copy each bit. You can colour it with pencil crayons if you want, but you don't have to.

Once you've finished ask someone in your house for feedback on how you could improve, or send us a picture via email. Remember they're not criticising and saying yours is bad they're just helping you to get better.

e.g. The ears could be longer.

His hands need to be bigger.
