L.O. To draw Peter Rabbit.

L.O. To draw Peter Rabbit.

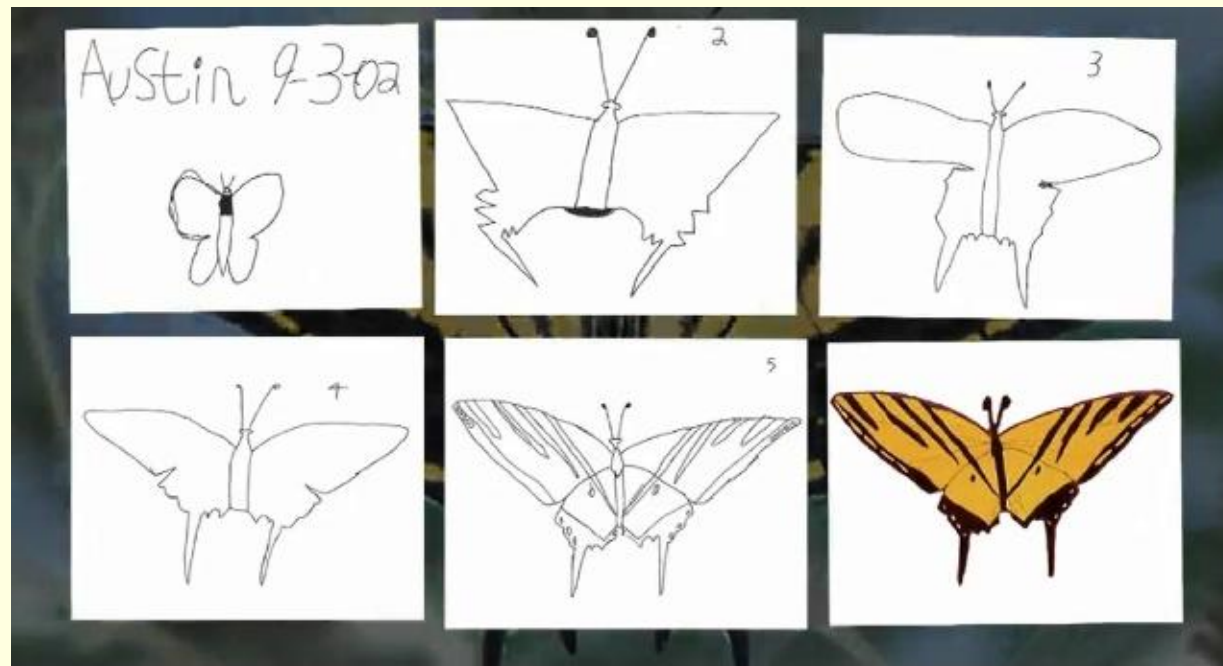

This is our final lesson of drawing Peter Rabbit.

Before you start look back at your first two drawings and all the feedback you've been given.

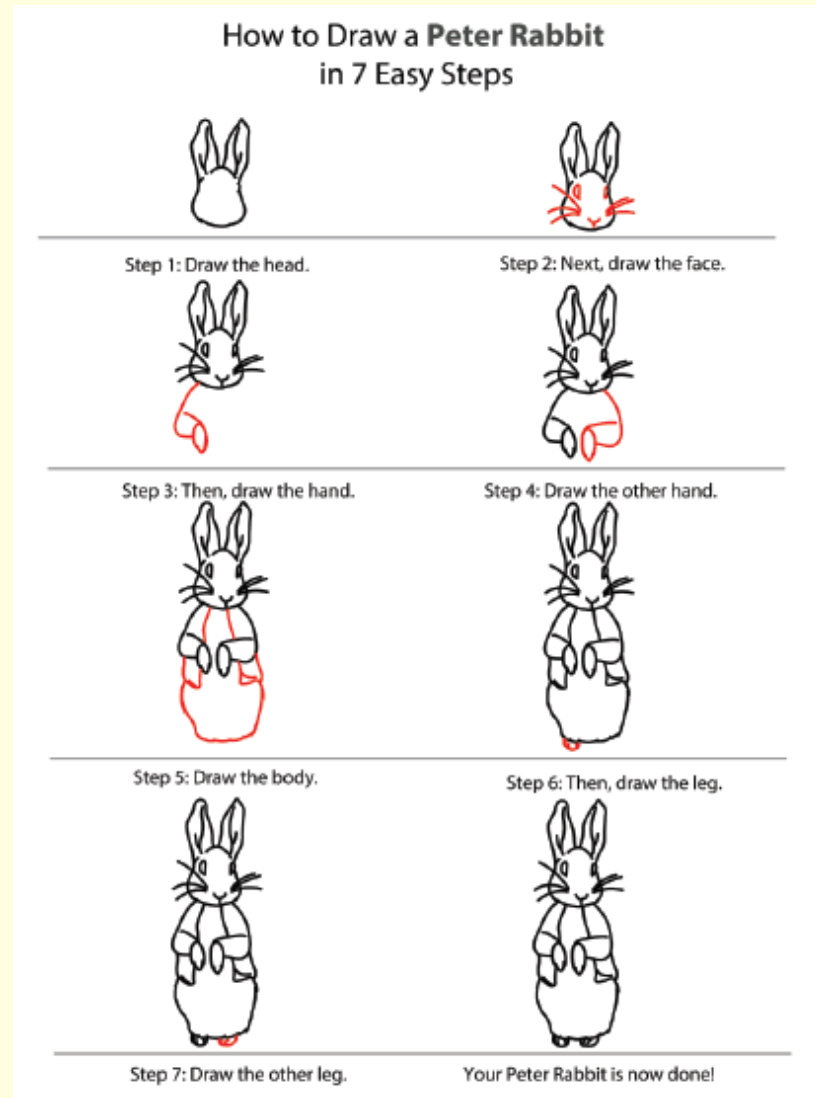

L.O. To draw Peter Rabbit.

Remember the aim is to improve your drawing each time we do it, just like Austin did.

You can still use the help sheet this time and anything else you like to support you.

L.O. To draw Peter Rabbit.

This time once you've finished there is an evaluation sheet to fill in so you can reflect on how much progress you've made.

We'd also love it if you could send us a photo of all your drawings together. We know they'll be amazing!
