L.O. To know that thankfulness matters.

L.O. To know that thankfulness matters.

Our key question for the half term:

What is the good news Jesus brings?

L.O. To know that thankfulness matters.

Christians thank God for good gifts. There are lots of stories in the Bible where this happens.

Jesus teaches us that it is important to say Thank you to God.

L.O. To know that thankfulness matters.

Read or
watch the
story of the
10 Lepers.

L.O. To know that thankfulness matters.

What happened in the story?

How were the characters feeling in the story?

L.O. To know that thankfulness matters.

Which characters might
have had some or all of
these feelings?

ill

disappointed

hopeful

amazed

thankful

L.O. To know that thankfulness matters.

Why did Jesus tell
this story?

- If we see someone who's been outcaste, they should be nice to them.
- He wants everyone to love one another.
- To teach us to have faith in God.
- To remind us to say thank you to God.

L.O. To know that thankfulness matters.

Here we have an emotions story board. Four parts of the story are at the top and you need to decide how each character is feeling at each point in the story by colouring the boxes in.

				
	Jesus arrives in the Lepers village.	The Lepers ask Jesus for help.	The Lepers are cured and walk away	One Leper returns to thank Jesus.
The Leper who came back.				
Jesus

Use these feelings and colours:

					
Happy	Sad	Amazed	Angry	Upset	Disappointed
					
					
Scared	Thankful	Tired	Lonely	Hopeful	Poorly !
					

L.O. To know that thankfulness matters.

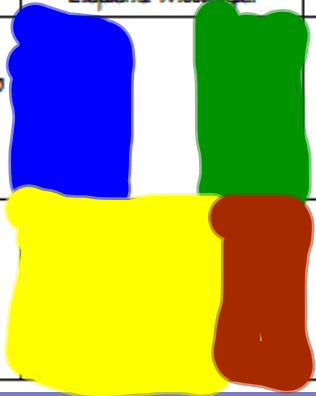

For the first box I have decided the Leper feels *sad*, poorly but also *hopeful* that Jesus can help him. So I'll use those three colours from the chart. (Try not to use more than 3 per box.)

				
	Jesus arrives in the Lepers village.	The Lepers ask Jesus for help.	The Lepers are cured and walk away.	<u>One</u> Leper returns to thank Jesus.
The Leper who came back.				
Jesus				

L.O. To know that thankfulness matters.

I have decided Jesus is **happy** in the first box and maybe a little **tired** from walking.
