

Anyone who
needs help is
your neighbour.

Never walk
alone.

Learn kung fu.

Loving people is
very important.

If you're in need,
you don't mind
where your help
comes from.

You show you
love God by
loving other
people.

God loves
people, whoever
they are.

Your enemies
may need some
help some time—
and you must
help them!

Keep your eyes
open for
robbers!
