

*Imagination art  
work*

*You are going to create a piece of art work which captures your likes, dislikes and your personality!*

## Step one:

- Get a photograph of yourself.

If you can't get a photograph you can draw a picture instead!

- Place the photograph or drawing in the bottom corner of a piece of paper.

## Step two:

- Use a pencil to lightly draw two curved lines coming from the top of your head!

Make sure you create a large enough space between the two lines as we are going to fill these with lots of different objects!

### Step three:

- Use a pencil to lightly draw more curved lines to create different sections.

You can choose how many sections you want to add.

## Step four:

- Use a pencil to design each section. You can add colour

You can draw whatever you feel is important to you.

You might want to include your likes, dislikes, hobbies...

You could also draw things that make you happy, sad etc...
