L.O. To retrieve information from texts.

Use words in the question to help you locate the answer.

Once upon a time there were **three** little kittens, and their names were Mittens, Tom Kitten, and Moppet. They had dear little fur coats of their own; and they tumbled about the doorstep and **played** in the **dust**.

**How many kittens** were there?

What did they **play** in?

But one day their mother- Mrs. Tabitha Twitchit- **expected** friends to tea; so she fetched the kittens indoors, to wash and dress them, before the fine company arrived.
