

Wednesday

It's time to get creative!

Today we want you to express yourself and
get your creative juices flowing!

We want you to try to be original and unique.

We want you to use your imagination.

We want you to get crafting!

You will need to find an empty toilet roll, or two, or three... or as many as you like! It's up to you!

We then want you to make something from your toilet roll. There are some ideas on the next few pages to inspire you, but you don't have to copy any of them. Can you think of your own creation? We look forward to seeing what you have created out of your toilet rolls on Teams later if you've finished. Have fun!
