LO: To retell religious stories and understand why Christians trust God.

Tessa and Tom have missed all the children who are working at home.

They wanted to tell you a story about a man called Zaccheus and when he met Jesus.

Christians believe that God loves everyone and he teaches us that even if we are different and unique, he still loves us.

The Story of Zaccheus

- What is Zaccheus job?
- Why did nobody want to be his friend?
- Where did Jesus find Zaccheus?
- What did Jesus ask Zaccheus to do to make things better?

We are all different and we all have different beliefs, and Christians believe that Jesus loves them for all their differences.

Lots of Christians have a baptism to show they are committed to God and to show God that they trust in him and love him.

Lots of children in Reception have had a special day when they have been baptised or christened and we would love to share them with you.
