

Match the word to the definition or write them next to each other in your book.  
Keep this somewhere safe because at the end of the topic we're going to see if your answers have changed...

- |             |   |   |                           |
|-------------|---|---|---------------------------|
| Stiff       | ● | ● | Soft and flexible         |
| Bendy       | ● | ● | Soaks up water            |
| Waterproof  | ● | ● | Not bendy                 |
| Absorbent   | ● | ● | Doesn't let water through |
| Dull        | ● | ● | See through               |
| Transparent | ● | ● | Not shiny                 |
| Opaque      | ● | ● | Not see through           |

Can you name a material that is stretchy? \_\_\_\_\_

Can you name a material that is rough? \_\_\_\_\_

Can you name a material that is soft? \_\_\_\_\_
