

Design your own Munchkin!

The Munchkins are people who help Dorothy when she first gets to Oz.

In the book the Munchkins are the same height as Dorothy and only wear blue clothes.
In the film they are a lot smaller than Dorothy and wear bright, colourful clothes.

Your task is to design your own Munchkin!

- What will their clothes be like?
- What will their hair be like?
- Will they be colourful like the film?
- Will they be blue like in the book?

Use the template or draw your own but keep them safe! You will need your Munchkin again next week...
