

Friday 26th February

L.O. To take photographs.

Today, or this weekend, we would like you to photograph something in nature, this could be in your garden or on a walk.

Have a look at the links on the main page to get some tips on how to get the best shot!

You might decide to photograph a landscape.

Cookridge Hall golf course

Paul's pond

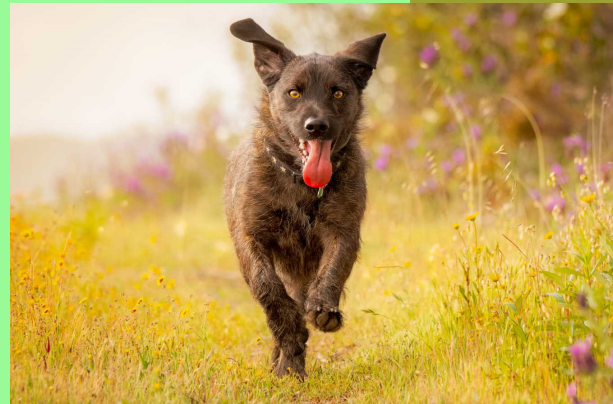

*You might decide to do a close-up photograph of one specific thing.*

You could try to photograph animals. Just make sure you're very careful if you do!

*We'd love it if you could email  
in your favourite photos and  
tell us where you took them.*
