

Chinese New Year

The dragon dance is often performed during Chinese New Year. Chinese dragons are a symbol of China's culture, and they are believed to bring good luck to people, therefore the longer the dragon is in the dance, the more luck it will bring to the community.

We'd like you to make your own Chinese dragon! We know how creative you are.

You can make it as brightly coloured as your like!

Have a look at the example to give you some ideas and there are some templates on the website.
