

LO: To understand the importance of checking the reliability of online information      9th February - Safer Internet Day 2021

In the story 'Detective Digiduck', Digiduck finds out that information found online might not be reliable, might not be correct or might be opinion and not fact at all. Write down around picture the 3 pieces of advice that Wise Owl gives Digiduck to help him to sort out the online facts from the online fiction! Then colour him in neatly :-)
