

Wednesday 10th and Friday 12th February.

L.O. To create maps and use compass  
points.

L.O. To create maps and use compass points.

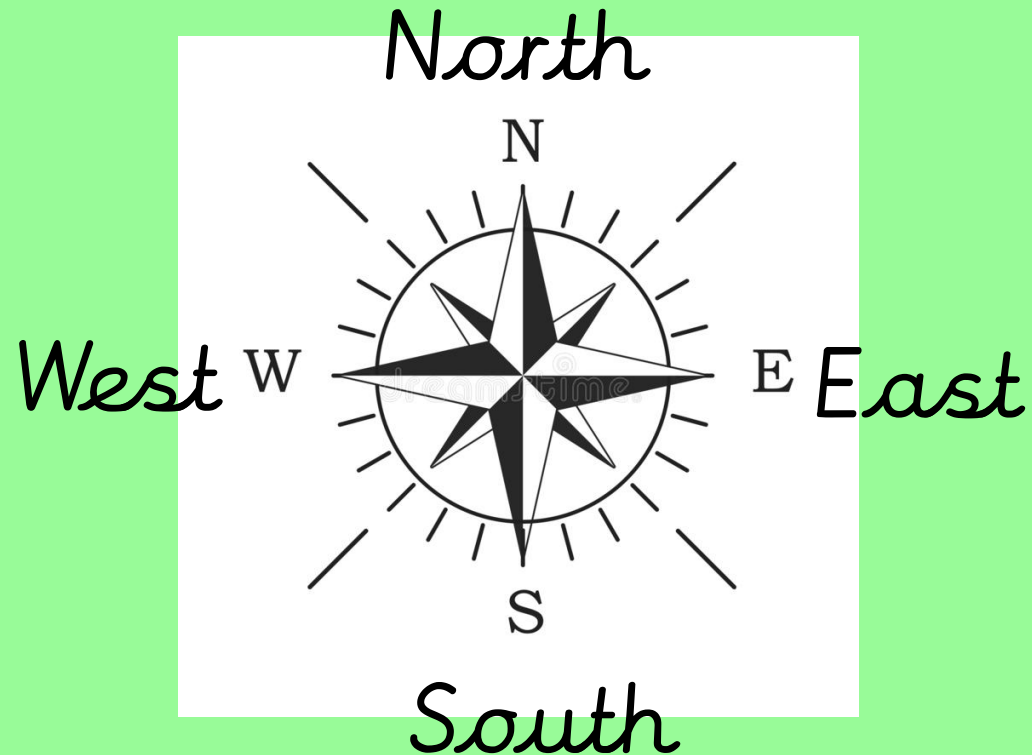

This week we are going to be looking at maps and compass points.

L.O. To create maps and use compass points.

A basic compass has four main points or directions.

A compass is a tool for finding direction.

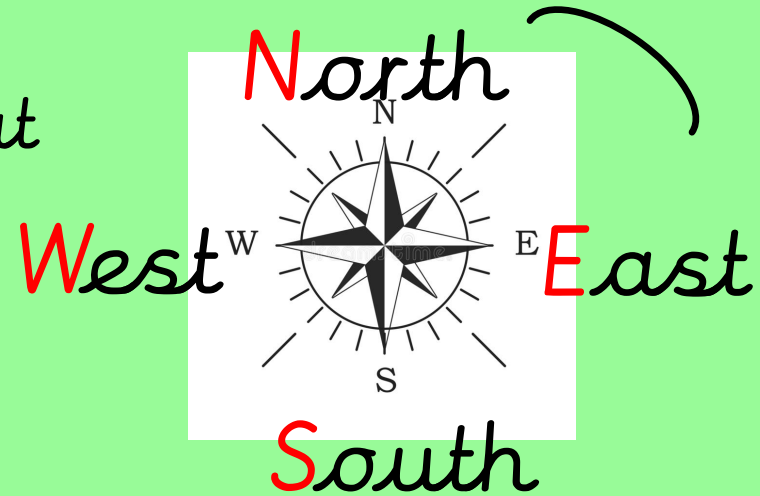

L.O. To create maps and use compass points.

There are some ways to remember the order of the points on a compass.

Never Eat Shredded Wheat

Never Eat Soggy Waffles

Naughty Elephants Squirt Water

L.O. To create maps and use compass points.

Try the game on the main website page to practise following compass directions.

You can make it easier or harder by changing the number of moves.

L.O. To create maps and use compass points.

Your task for this afternoon and Friday is to create a map of Mr McGregor's garden. There is a list of things to include on your map. You can be as creative as you like (there's some examples on the next page). You will then have some questions to answer using your map which will ask you to write directions which explain how to get from one place to another in your garden.

L.O. To create maps and use compass points.

A few ideas for making your maps.

L.O. To create maps and use compass points.

Things you need to include in your garden...

★ shed

★ carrots

★ radishes

★ onions

★ lettuces

★ pond

★ scarecrow

★ watering can

★ gate

Other things you might include...

- path
- house
- flowers

L.O. To create maps and use compass points.

Use your map to answers the questions on the sheet.

Make sure you use the compass directions in your answer.

L.O. To communicate geographically.

Feb 20 21

north south east west

How might you get from the tool shed to the gate?

---

---

---

How could you get from the lettuces to the pond?

---

---

---

How could you get to the pond if your started at the carrots?

---

---

---

How would you get from the scarecrow to the watering can?

---

---

---

How might you get from the onions to the radishes?

---

---

---

L.O. To create maps and use compass points.

Go west to the radishes then go north past the pond and peas to get to the gate.
