LO: To create characters, settings and plots

As part of our fiction writing unit, you are going to write an adventure story set in the Ancient Egyptian period! Over the next few English lessons, we will be planning and writing different sections of our story!

Today you will create your main character or protagonist, who will travel back in time to Ancient Egypt! You will need to choose their name, what they look like, where they live and what personality traits they have! You need to make your character relatable and memorable to the reader to keep them interested in their adventure!

2) Main character finds a mysterious item which is a port hole/transporter back in time.
