**‘The Best for Every Child -a Unique Child of God’
ISSUE No 503**

2nd July , 2021

Dear Parent / Carers

Our Christian Value this term is **Courage**

Our Ethos Statement this week is: **Let us fix our eyes on Jesus, the author and perfecter of our faith, who for the joy set before him endured the cross, scorning its shame, and sat down at the right hand of the throne of God. Consider him who endured such opposition from sinful men, so that you will not grow weary and lose heart. Hebrews 12:2-3**

Summer Term – July already!

Over the last few weeks our teachers have been very busy writing your child’s end of year report they have also been thinking and preparing for their new class in September. Our teachers and teaching assistants have met with your child’s new class team to share information about them so that your child can make a brisk start to the new school year. We had planned a day when the children would spend it with their new teacher in their new class – we have, however, had to revise our plans in the light of our new risk assessment and are having a shortened, out of doors meet your new teacher before we break up in July, with our formal days happening on the first few days of the new school year. You will still be able to ‘virtually’ meet your child’s new teacher via a Loom presentation that will tell you everything you need to know about their new class and new teacher. Loom links will be sent out during the week commencing 12th July.

We have had to also re-think our induction of new children into reception class as we have children coming from 22 other nurseries – to maintain our bubbles and all of those other nursery bubbles, I am sure that you will agree, is a logistical impossibility! But, as ever, we have a plan that will keep all safe – in September! With school reports not coming out until Friday 16th July (via SIMs) we thought that you would like to know who your child’s teacher will be this year:

Current class	Class name	New class teacher (s)	Class name

Please note that you will not be able to contact your child's **new teacher** until after you receive their school report – if you can ,please reserve emails to new teachers until September. Thank you.

We are also busily preparing what our coming into school and leaving from school will look like in September. These plans will be shared with you in the next newsletter.

Pupil of the week

<p>RR Robyn Heels is our Pupil of the Week this week :) Robyn is engaging really well during carpet time activities and is showing great perseverance with focus activities, especially writing. Robyn thoroughly enjoyed our trip to Hesketh Farm this week. Robyn listened really carefully to the farmers and participated in all the activities. Well done, Robyn 😊</p>	<p>RW This week in RW, Zac Orson is my pupil of the week. Zac has shown resilience and perseverance this week especially with his writing. Zac wrote fantastic facts about a fish using his phonics. Zac is a very kind member of our class and showed such care and consideration for all the animals on our trip to Hesketh Farm this week. Well done Zac 😊</p>
<p>1A This week it has to be the whole of 1A. They have been so excited to go on their first school trip of the year and they did not let us down. They had a fantastic time learning all about the seaside 100 years ago. They were so sensible and mature whilst exploring Kirkstall Abbey, we couldn't be prouder! Well done Year 1. You're really showing us how ready you are for Year 2. 😊</p>	<p>1RB This week we have chosen all of the children in Year One for their fantastic behaviour and enthusiasm on our trip to Abby House Museum/Kirkstall Abbey. It was brilliant to see the children having fun and learning outside of the classroom. We are so proud of them, well done everyone! 😊</p>
<p>2S A huge well done to all of 2S for their fantastic behaviour on their trip to Yorkshire Wildlife Park yesterday, we were so impressed by their enthusiasm for all the animals, and their lunch!! However, my pupil of the week is Noah Duffield for his standout enthusiasms and positivity! He was so interested in learning all about the animals and was still excited to see everything even when we'd been walking for ages! Well done Noah! 😊</p>	<p>2J Our pupil of the week in 2J this week is Sophie Richards. Sophie has had a brilliant week. Her independence and confidence levels are improving really quickly at the moment and it has been fantastic to see Sophie's infectious smile back around the classroom. She was extremely excited for our trip to Yorkshire Wildlife Park yesterday and had a wonderful day, representing our school beautifully. Well done Sophie. We're proud of you! 😊</p>
<p>3W Well done to all of 3W for another excellent week, you continue to make me proud of you all! One person has really stood out this week has been Souad. She's worked incredibly hard in English and produced an excellent persuasive leaflet about her Greek island. I'm also really impressed with the work she's put into learning times tables too. Well done, Souad! 😊</p>	<p>3R Everyone has worked incredibly hard in 3R this week so it was a tricky choice! I have chosen Neve Fletcher for producing a fantastic leaflet to persuade people to visit Greece. She has worked hard to include lots of persuasive techniques and tried hard with her handwriting too. I could choose Neve any week because always follows our golden rules, works hard and is just a delight to teach. Well done Neve! 😊</p>
<p>4L Sasha is our Pupil of the Week in 4L! She is a wonderful member of the class and has</p>	<p>4H I have chosen Emily Dougill, she always works hard, she is always sensible and kind to other</p>

contributed well during our class discussions. She has produced some wonderful pieces of work a part of our ancient Egypt topic and has persevered with our time work in maths. Well done Sasha! 😊	children in the class and for supporting and encouraging others during sports day practice. She is such a role model for year 4! 😊
5O Brooklyn Ford for having a fantastic week, he has particularly impressed me with his handwriting and presentation this week. Well done Brooklyn, keep it up! 😊	5E Cara Pierce, for yet another excellent week. She could have had it at any time throughout the year but in July she is really showing what amazing steps she has made since September with her outstanding writing ability, attitude to lessons and especially her maths progress which has continued to rise upwards. 😊
6C Rufus Scott for his brilliant attitude and work this week. He has been providing insightful viewpoints to our class discussions about Kensuke's Kingdom, showing empathy and understanding towards the characters. While Y6 continue to rehearse their end of year show, Rufus has also been putting in some stellar performances, both learning his lines quickly and injecting some impressive acting to bring his character to life. Keep up the superb efforts. 😊	6M Lily Thomas for her always attitude. No matter what the task is, she will always put 100% into it and this week I have been very impressed with the way she has learnt her lines for our school production. She knows the vast majority off by heart and is incorporating her acting skills into the delivery of her lines, she is also a very talented singer- well done Lily! 😊

Enterprise Day 2021 – Reminder

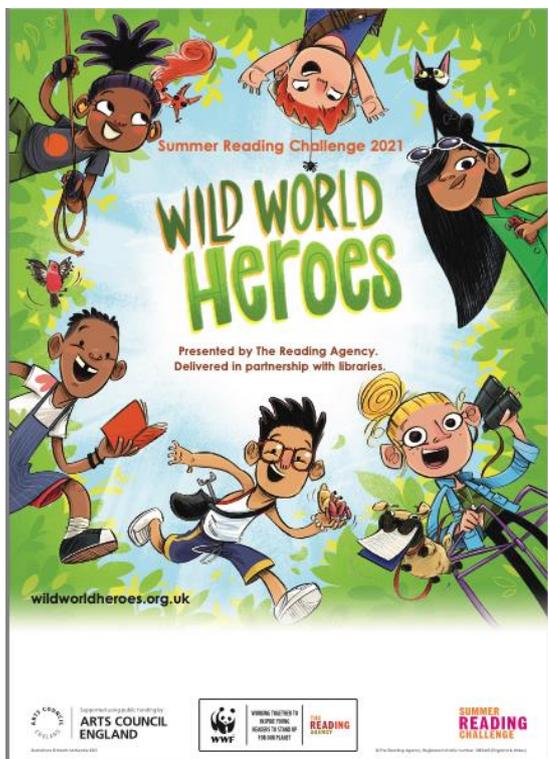

On Thursday 15th July 2021, Year 6 will be holding their annual Enterprise Day. The children have been learning about being sensible with their money, how to budget and start a ‘business’ from a small investment. Each group has been given £10 and the aim is to make as much money as possible throughout the day. You should have already received information about the different activities/games and stalls earlier this week.

On the day every year group will get the chance to visit the stalls and, slightly different from previous years, money will not be exchanged during the event. Instead, we will be running a cashless Enterprise Day and we will be raising money through a voluntary donation which you can make via sims-pay. The money raised goes towards the year 6 end of school treat, and the rest will be invested back into year 6 to provide resources for future year 6 children. Some money will also be donated to the NHS charities.

Thank you for all of your support.

Clinical Commissioning Group

www.kooth.com

Dear Parents/ Carers,

We are writing to inform you of a mental health and emotional wellbeing service available to young people called Kooth. We know that there are times when life can feel like a struggle and that, especially this year, some extra support can be needed. Recognising this, Kooth has been commissioned by Leeds NHS Clinical Commissioning Group to provide free, anonymous and safe online support for young people aged 10-18.

Kooth is an online community (www.kooth.com) that is accessible 24/7, 365 days of the year and provides access to chat sessions with BACP-accredited counsellors and qualified emotional wellbeing practitioners. All out-chat sessions are done via text, and last up to an hour. Chat is available from 12pm to 10pm on Monday-Friday, and 6pm-10pm on Saturday-Sunday, providing a much needed 'out of hours' service. Kooth is accessible from any device that can access the Wi-Fi, allowing young people to seek help and support at a time and location that is suitable for them.

But Kooth is so much more than just having chat sessions. Young people can get peer-to-peer support, as well as get involved with activities designed to improve emotional wellbeing and resilience. They can participate by reading/writing magazine articles, keeping a journal, setting goals and engaging in discussion boards and live forums. We

allow young people to share their experiences safely, and everything contributed to the community is thoroughly moderated by the online team so that we can guarantee there won't be any trolling, bullying or judgement – they also won't be allowed to share any personal details with each other.

Kooth is not a replacement for any in person support for a young person; rather it is an additional means of accessing further support. There is no such thing as a problem that is too big or too small at Kooth. Our team reflects all communities and walks of life, so no matter what issue you come to us with there is somebody at Kooth who can and will help.
