

Your task this week will be to create a 'Memory Book' of your time at Cookridge Holy Trinity.

This will provide you with a great opportunity to reflect on your time in primary school and to realise how much you have all progressed and developed during your time here, however long.

Who would like to share what they have done for their memory book already?

Are there any ideas you could use in your own memory books?

We want this task to be as open-ended as possible, where you can choose which way you would like to make and present your memories:

- A paper booklet
- On computer software eg. word or powerpoint
- Poster
- Any other ideas?

However, as always, we ask that you take your time with it and ensure it is produced with the same high standard that we know you can all do.

Tuesday: Year 2 and Year 3
(aim for one page per year group)

What could you include in it?

Events / topics in Year 2:

- Charlie and the Chocolate Factory Day - everyone dressed up!
- The ks1 Christmas nativity - A midwife Crisis - the one with Steve and Nigel the donkey
- Trip to Yorkshire wildlife park - it rained ALL day! (Taught Miss Lill lots of dances to Ariana Grande!)
- Chicks - had the chicks in y2 (apparently with questionable names like KFC!)
- Holi trinity festival as part of the India topic - all got to throw brightly coloured paints at each other!

Events / topics in Year 3:

Art: Lowry, Greek vases

English: George's Marvellous Medicine, Stig of the Dump

Science: Light, magnets, rocks, plants, animals

Topic: Europe, weather, stone age, Ancient Greece

DT: glider challenge

IT: coding

Chess, visit to Cragg House Farm, GMM theatre visit

We will share what some of you have done in tomorrow's Teams Meeting.

It will be a good chance to see the different styles you have chosen, as well as to 'borrow' some good ideas to include in your memory books
