Multiplication tables check

From the 2019/20 academic year onwards, all schools in England were required to administer an online multiplication tables check (MTC) to year 4 pupils.

The [National Curriculum](#) specifies that pupils should be taught to recall the multiplication tables up to and including 12×12 by the end of year 4.

The purpose of the MTC is to determine whether pupils can recall their times tables fluently, which is essential for future success in mathematics. It will help us to identify pupils who have not yet mastered their times tables, so that additional support can be provided.

More information will be provided in the autumn term.

Multiplication tables check

To support your child in their multiplication table learning:

- Times table rock stars

Expectations in Year 4

Classroom expectations – The children must follow the school Golden rules, Classroom rules and are awarded Green Time on a Friday afternoon. Time will be deducted off Green Time for amber Cards and red Cards.

Children must follow these rules in the playground at break and lunch as well as when lining up, by their lockers and in the cloakroom area

Children will have passports where teachers will record trinity bears given.

Children must wear the correct uniform, P.E. kit, bring in water bottles and homework diaries

No phones should be in school, unless absolutely necessary. They should NOT be visible on the playground before or after school. Please do not ring/text children or ask them to contact you until out of school grounds.

Medication that is kept in school e.g. inhalers, glasses must be up to date.

Homework

Monday – Spelling sheet handed out to be completed throughout the week (also available on website). This does not need to be returned to school.

Monday-Friday – Reading (10/20 minutes reading and a detailed comment in the reading record)

Wednesday – Mathematics set weekly and due in the following Wednesday and reading **Please note that ipads are available to complete this during break times if unable to do so at home**

Learning log – Learning log tasks/challenges will be set each term/half term linked to core and foundation subjects.

Homework is checked each Monday and is expected to be done to a good standard. If homework is not completed, it will be done at break time. It is parental responsibility to sign your child's homework diary each week to acknowledge their homework is completed.

Please let us know if there are any issues.

Please be vigilant with social media and check which apps your children are using. We would advise against group chats and posting photographs.

They should not be using Facebook, Instagram, WhatsApp etc... without your permission/close supervision, especially group chats.

We promote e-safety at school and would appreciate your support with this at home.

Holy Communion

In Year 4 the children will have the opportunity to become admitted to receive Holy Communion.

Children will take part in Holy Communion sessions, during the school day, which links to our school's current RE syllabus.

There will be 6 sessions led by Father Paul and Mrs Swann.

After this the children who wish to receive Communion will be admitted to receive their Communion by Bishop Tony of Wakefield.

There will be an additional information in the autumn term to follow.

Things to note

- The first day back at school is **Wednesday 8th September 2021**.
- The children will line up next to the Year 5/6 building. Teachers will be there in the morning so children know where to line up. **(Please note this is dependent on school/government guidance)**
- At home time, the children leave the classroom and will walk down the ramp to the bottom playground. **(Please note this is dependent on school/government guidance)**

Things to note

- P.E. will be taught on Wednesdays and Fridays.
- You will be informed of when your child's class will go swimming.
- Please make sure your child has the correct named uniform with black or white trainers – no logos.

- It is advised that the children bring a named water bottle to school.

How you can help your child over the summer...

- Handwriting – neat, cursive script abcdefg...
- Times tables (12X12) & number bonds
- Reading (e.g. leaflets, newspapers, poetry)
