

1.11.21

LO: To recognise some common conductors and insulators

Remember to set up your circuit like this:

When you add the material to test if it is a conductor or an insulator, it should look like this:

Insulators	Conductors

Working Scientifically  
recording findings using simple scientific language, drawings, labelled diagrams, keys, bar charts, and tables

**Odd one out!**

Nail, tyre and a paper clip.

Which one of these materi-  
Explain your answer below.

als is the odd one out?

---
