Why does the spirit show
Scrooge the two children 'want'
and 'ignorance'?

The girl is
want.

The boy is
ignorance.

L.O. To understand texts

The author Charles Dickens believed it was everyone's responsibility to look after each other.

The girl is
want - Scrooge
is selfish and
wants everything
for himself.

The boy is
ignorance -
Scrooge is happy
to ignore the needs
of other people.

How can we help those who do not have the basic things they want and need?

L.O. To understand texts

You'll need some strips of paper...

On one side of the strip of paper write a want. On the other side write a way we can help people to get it. Then make the strips into a paper chain.

food

Donate food to the foodbank.
