The Best for Every Child – A Unique Child of God

RE Skills and Progression

Each of the three elements of the teaching and learning approach is important and pupils should make progress in all of them.

Below are the End of Phase outcomes related to each element. Each unit takes bullet points from these End of Phase outcomes and applies them specifically to the unit questions. These End of Phase outcomes are taken from the Leeds and York Diocese Syllabus and the Understanding Christianity resource. Teachers are expected to use these alongside the End of Unit outcomes (knowledge building blocks) within the RE assessment system used within school. For children working in EYFS at the expected level of development, please see RE in EYFS document (ELG: People, Culture and Communities).
