#### Summer Term

We have had such a busy week this week. With OfSTED visitors at the beginning of the week and Bishop Tony at the end of the week accepting some of our children in year 4 and 5 into Holy Communion. Thank you for all of your kind words and support during the week.

Our children have been at their amazing best and once again a credit to us all.

This evening we have the pleasure of hosting our first PTA event in the form of a school disco – I know that many of our children are really looking forward to dancing the early evening away – some of our children haven't had that opportunity in 2 years and some have never had that experience! A big thank you goes out to our PTA who have organised the school disco – as well as lots of other treats for our children that have happened during lockdown. Our PTA are a very small group of volunteers from our parent body who care very much about adding that bit extra into the lives of our children at Holy Trinity – If you would like to get involved the please contact them at [holytrinity.pta1@gmail.com](mailto:holytrinity.pta1@gmail.com)

### **Triathlon**

Last Sunday morning, we were very proud to take 12 of our children from school to the Leeds World Triathlon series event in Roundhay Park. We met bright and early in Roundhay, with all the amateur triathletes whizzing past us on their bikes, and were escorted down to the event village in Roundhay park. We had some free time to explore the event village and were then taken down to the 'blue carpet experience'. Whilst waiting our turn, the children enjoyed high-fiving all of the amateur runners who were about to cross the finish line for their event! We were able to put big smiles on exhausted faces! It was then our turn to run down the blue carpet, cycle on the static bikes, and do a final sprint across the official blue carpet finish line, with commentary throughout for the audience in the Grand Stand! After that we took part in a few games and received a goody bag for taking part. Three of our children then went on to represent our school as flag bearers and escort the professional teams across the blue carpet start line prior to their televised event - an amazing experience for all. Thank you to all of our children who represented our school so well. Thank you to all of our wonderfully enthusiastic parents who brought the children and stayed with them all morning in support (some even got free tickets for the Grand Stand) and thank you to Miss Slaney for giving up her Sunday morning to support me and the children. A fabulous day!

**Clinical Commissioning Group**

[www.kooth.com](http://www.kooth.com)

Dear Parents/ Carers,

We are writing to inform you of a mental health and emotional wellbeing service available to young people called Kooth. We know that there are times when life can feel like a struggle and that, especially this year, some extra support can be needed. Recognising this, Kooth has been commissioned by Leeds NHS Clinical Commissioning Group to provide free, anonymous and safe online support for young people aged 10-18. Kooth is an online community ([www.kooth.com](http://www.kooth.com)) that is accessible 24/7, 365 days of the year and provides access to chat sessions with BACP-accredited counsellors and qualified emotional wellbeing practitioners. All out-chat sessions are done via text, and last up to an hour. Chat is available from 12pm to 10pm on Monday-Friday, and 6pm-10pm on Saturday-Sunday, providing a much needed 'out of hours' service. Kooth is accessible from any device that can access the Wi-Fi, allowing young people to seek help and support at a time and location that is suitable for them.

But Kooth is so much more than just having chat sessions. Young people can get peer-to-peer support, as well as get involved with activities designed to improve emotional wellbeing and resilience. They can participate by reading/ writing magazine articles, keeping a journal, setting goals and engaging in discussion boards and live forums. We allow young people to share their experiences safely, and everything contributed to the community is thoroughly moderated by the online team so that we can guarantee there won't be any trolling, bullying or judgement – they also won't be allowed to share any personal details with each other.

Kooth is not a replacement for any in person support for a young person; rather it is an additional means of accessing further support. There is no such thing as a problem that is too big or too small at Kooth. Our team reflects all communities and walks of life, so no matter what issue you come to us with there is somebody at Kooth who can and will help.
