Summer Term

With another busy week under our belts the term feels like it is picking up pace – once again.

It was a delight to see our parents and children enjoying sports days over the course of the week – we certainly picked the weather for a sporting extravaganza! Thank you to our PTA who volunteered to keep parents watered and fed during the tournaments. If you would like to get involved with the valuable work that the PTA do for our children please contact them at holytrinity.pta1@gmail.com

A big thank you also goes out to our teachers for organising the sporting events and activities (ably supported by Miss Johnson and Mr Wilkinson) and to you, parents, for your coming in to support our children – and also for your egg and spoon race skills during the parents races.

Our Key Stage 2 children have been up to Tinshill Free Church this week to attend the annual Bible Exhibition. This is the first time since COVID 19 that the exhibition has been able to run.

Our Year 4 children also went to Holy Trinity Church to attend Wednesday Mass with the parishioners of Holy Trinity Church. This is always a welcome treat for the parishioners who love to see our children joining them in worshipful celebration in the Holy Mass.

Enterprise Day 2022

On Thursday 14th July 2022, Year 6 will be holding their annual Enterprise Day. For those of you that are not aware of what this day is, Enterprise Day is the culmination of a half term of teamwork, collaboration and lessons in which the children have learnt about being sensible with their money, how to budget

and start a 'business' from a small investment. Each group is given £10 and the aim is to make as much money as they can from the given investment.

On their stalls they have come up with an initial business plan with activities, food, drink and healthy options. This day is also factored into our school policy on healthy eating as one of our exception days. This year there will be a range of activities, for all year groups to access. All the information about the stalls will be emailed in a newsletter designed by the children next week, as we have done in previous years.

Every year group will get the chance to visit the stalls and again, slightly different to previous years, money will not be exchanged during the event. Instead, this year we will be running a cashless Enterprise Day and instead money will be raised through a voluntary donation.

If you would like to make a contribution please make it on SIMS PAY. You will find it in the 'Events' section.

The money raised goes towards the year 6 end of school treat, and the rest is invested back into Year 6 to provide resources (SATs Busters, props for show, DT equipment etc) for future year 6 children and also donating to a charity chosen by the Year 6 children.

Thank you for all of your support.

Clinical Commissioning Group

www.kooth.com

Dear Parents/ Carers,

We are writing to inform you of a mental health and emotional wellbeing service available to young people called Kooth. We know that there are times when life can feel like a struggle and that, especially this year, some extra support can be needed. Recognising this, Kooth has been commissioned by Leeds NHS Clinical Commissioning Group to provide free, anonymous and safe online support for young people aged 10-18. Kooth is an online community (www.kooth.com) that is accessible 24/7, 365 days of the year and provides

access to chat sessions with BACP-accredited counsellors and qualified emotional wellbeing practitioners. All out-chat sessions are done via text, and last up to an hour. Chat is available from 12pm to 10pm on Monday-Friday, and 6pm-10pm on Saturday-Sunday, providing a much needed 'out of hours' service. Kooth is accessible from any device that can access the Wi-Fi, allowing young people to seek help and support at a time and location that is suitable for them.

But Kooth is so much more than just having chat sessions. Young people can get peer-to-peer support, as well as get involved with activities designed to improve emotional wellbeing and resilience. They can participate by reading/ writing magazine articles, keeping a journal, setting goals and engaging in discussion boards and live forums. We allow young people to share their experiences safely, and everything contributed to the community is thoroughly moderated by the online team so that we can guarantee there won't be any trolling, bullying or judgement – they also won't be allowed to share any personal details with each other.

Kooth is not a replacement for any in person support for a young person; rather it is an additional means of accessing further support. There is no such thing as a problem that is too big or too small at Kooth. Our team reflects all communities and walks of life, so no matter what issue you come to us with there is somebody at Kooth who can and will help.
