Computing—Information Technology Around Us

Children will develop their understanding of what information technology (IT) is and will begin to identify examples. They will discuss where they have seen IT in school and beyond, in settings such as shops, hospitals, and libraries. Learners will then investigate how IT improves our world, and they will learn about the importance of using IT responsibly.

PSHE/Citizenship

Keeping safe and managing risk: Indoors and outdoors

Keeping safe in the home, including fire safety.

Keeping safe outside. Road safety
