### Questions/feedback for Mrs Hellings/Mrs Casling (answers/actions in blue)

- Can we develop the adventure playground *we are unable to use the adventure playground at the moment, but Mrs Hellings and the PE leaders in school will review what equipment we have/can get*
- Can we have a school football team? More sports teams and competitions? *PE councillors, can you discuss this at your next meeting and feedback to the school?*
- Can we have another Pokémon day? *Mrs Casling will speak to the teachers about offering this one playtime as well as Thursday lunch.*
- Can we improve the ramp so people aren't running round the corner *Mrs Casling/Mrs Hellings to discuss markings on the ramp to help with this*
- Are we going to mix up the playgrounds? *No, we have to have the playgrounds on a rota or it gets too complicated to remember where you are allowed each day. As you move through school you will play in different areas and have turns at sport*
- Can we have a school choir – *Mrs Bowman to speak with Artforms (who teach our music) to see if this is a possibility*
- Will Holy Trinity's got Talent be running? *Mrs Hellings to find out from the PTA*
- Can we have more skipping ropes? *Each class was given some money for playtime boxes so ask your teacher about this*
- Can we have a reading club? *There will be an after school reading club starting after half term for KS2, then KS1 later in the year*
- Can we have a dance club? *Different clubs are offered each half term to different year groups so keep an eye on the newsletter/parent emails to see what's on offer*
- Can we have calm music in the dinner hall? *Mrs Hellings and Mrs Casling think this might be too noisy on top of the lunch serving and chatter, but we might try a day every now and again*
- Can we cone out the football area on the bottom playground? *Jack to see if this would work*

### Suggestions for class teachers

- Go outside more
- More art

- Use the VR headsets more often
- Can we have more dinosaur toys in KS1
